My Competitiveness

Good English proficiency level (a test can be done if needed).

No translation tools used. All translation will be done manually and correctly. Test beforehand is acceptable.

I can maintain your thread regularly. Your thread will be free from low-quality, spammy, useless posts.

Fee (applied if you approach me in advance and I'm not participating / reserving on your bounty thread) - can be discussed

ANN Translation : min. \$100

WP Translation: min. \$500

Website Translation: min. \$200

At this moment, I don't use any other address except those that I mentioned. Anyone who use my work but provide other address might be scamming you.
