A toggle for the intensity of emminine and energy colors would be note. I main Octavia Prime and a lot of her survivability relies on seeing floor critical scoring at you so it would be note to have them more visible. I'm sure there's a place somewhere in settings, but a toggle on her coustomization would be nice. Thank you	
Pink Print of Cornell are unestore. It's time for something different like pink Anh or something.

Senarately-colo	able helmets when??																				
Thank you for p	utting this pull together, My	one comment would be, I	think the creators	of the tennogen w	ould see a lot more	income if their ski	ins were purcha	sable with Platin	um, as there's ton	s of skins I would love	to buy but having	to actually go th	rough the purch	ase through stea	m with my credit of	ard limits the am	ount of them I've p	ourchased.			
Deluxes should	get the voidshell treatment	down the line																			
Thanks dad																					
love seeing the	results of these, good work																				
now that i'm thir	king about it most of the de	fault looks for the warfran	nes are very good.	except chroma. i	fucking hate chroma	a.															
Fashion is the e	ndgame.																				
Condense																					
Good survey
