## **OVERVIEW SHEET**

**EVENT DESCRIPTION:** The USF Health Service Corps is collaborating with One Blood, Donate Life Florida and the Icla da Silva Foundation, Inc.(a Recruitment Center for Be the Match Registry) to offer new virtual Give Life Day information sessions for USF students, faculty & staff. During each session, participants will learn:

- WHY The importance and benefits of donating blood and joining the Be the Match and Donate Life Florida Registries;
- HOW you can help:
- WHERE & WHEN in Tampa you can donate blood with OneBlood;
- o HOW you can join the Be the Match Registry and save the life of a patient through the bone marrow donation process;
- o HOW you can join the Donate Life Florida Registry and the organ tissue and cornea recovery process.

**EVENT LOGISTICS:** We have set up different virtual information sessions for the following days/times: Monday February 22nd 5 pm – 6 pm; Tuesday March 16th 4 pm - 5 pm; Wednesday, April 14th 5 pm - 6 pm; Tuesday, May 18th 12 pm - 1 pm, and Friday, July 16th 12 pm – 1 pm. Each session will include presentations from dedicated representatives of OneBlood, Be the Match and Donate Life Florida for ~ 20 minutes each, with adequate time for questions and answers. You can sign up for any one of these virtual information sessions by clicking on one of the tabs below, which will direct you to one of four separate Google Sheets. Students, faculty and staff can contact Ellen Kent, MPH,CPH, Coordinator, USF Health Service Corps at <a href="mailto:ekent@usf.edu">ekent@usf.edu</a> for additional assistance or to request additional sessions to meet their specific needs. Ellen Kent will send two pre-event emails with all details and Zoom Codes to students, faculty and staff who have signed up for each Zoom information session. Thank you!
