		I am writing to you about... Hello, it's day 0 and I finally got my role. It's "the wise one" and I'm affiliated to Nicktoons. I didn't know if Nicktoons are wolves or Disney are wolves when I read the game info. Actually, I didn't even know if there are wolves. But since there is night voting I guess there are wolves and since I don't have night voting I think Disney are the wolves. Pity, loved Disney when I was young. D. Hoped to be wolf for the first time ever but... maybe next time. I can see anyone's role which is bit useless since I can't see their affiliation. There are some people here I know and I will check them first. I hope Rhino isn't wolf. If he is, I won't last very long in this game. D. One thing I know is, that when Argo2 is too silent he is wolf. And if he is not, he will help me with my seer-ing (I hope). Would be awesome to repeat what happened in olympics game. I am seer again so it is on a good way. Ok, see you tomorrow :)						
EIPapo131	Gak	I hope to the executive producers that my shit posting and trolling (Which by the way, great codeword, not sure who did that) does not get me killed. I want to both be a troll and a good team member. I'm really gunning for the MVP award this time around, so I gotta play a good game.		Thank you for the title Executive Producer. Love it.	troll, baby, troll!	I made the codewords but they're just toys from our childhood		
Diggenwalde	TROLLS	So my first day ever...I check the post and my vote is immediately decided because diggenwald or whatever the f@&k is his name is super annoying both in the day 0 and day 1 posts. I don't think this is the right way to play but I'll learn (or not). Anyways, this seems interesting, I don't THINK I'll get fired but you never know. Hope my vote does good because I don't know if I'll be able to stand listening to that dude every day for an entire game.	not yet :)					
chxths	talkgirl	Hello Judy this is all very exciting and I am particularly excited to see that I have 1 secret sub of friends! Does this mean everyone has a secret sub of friends? because if they don't that'd be extremely sneaky and also clever and anyway me and my secret sneaky sub of secret friends are so gonna find all those NickToonsers k bye "sparkle"			everything is going as planned!

		Hi! I loved the post/poem. I don't know who to vote out or use my action on. Too many o's in Diggs comment but I don't blame them. Catshark = awesome. First, I might just use my action on Rhino or chxths (they suggested voting people who are below us on the roster, and that made catshark angry and maybe catshark might use their action on chxths idk). I want to see how this plays out. And which role has the nightly kill action? The magical ones? Ik that the wise ones are seers. The vain ones are like Cole last game iirc. The protective ones = doctors. Oh and I think the fair changed? There was a nicktoon fair yesterday and it's not there today. And I'm Krumm. Better than Victor Krum. (stg we need this commercial)	https://www.reddit.com/r/hogwartsverewolv esA/comments/iky5x2/g ame_ika_2020_nicktoon s_vs_disney_phase_1/g 3oa02v?utm_source=share&utm _medium=web2&conten t=3	Thank you! 		I don't know if the nicktoons have a secret sub or not. I am guessing no. I thought of asking in the thread if we know wolves have a secret sub or not but then I don't want to confirm the nicktoons that disney doesn't have a secret sub by asking it, if they actually do have a secret sub.	https://www.reddit.com/r/hogwartsverewolv esA/comments/iky5x2/g ame_ika_2020_nicktoon s_vs_disney_phase_1/g 3p1tvc/		Not quite right			
ser_poopy_butthole	barbie	So I kinda sorta impulsively voted for diggenwhatever yesterday because he was annoying, but now I actually think that was a really good move on my part because there has been a bit of tension after he got called out for meta-references and jokes so if my vote stands alone then it could be punned on someone who is completely innocent :)						
chxths	Talkgirl		https://youtu.be/NVdmkdlRV-s	: (predicting your own fate				
ser_poopy_butthole	Barbie	I think I am going to be slightly less active now or otherwise I might be at the risk of a standing out and being target of mad with power vigilante/killer. That makes me wonder if they can choose no action or not.						
		Hi! I hope I filled in my codeword right everywhere. Is pogs even a real word? I'll still refill the forms. I'm super duper excited and confused. I still think there's gonna be a mass vote out unless we decide on a target. I'm scared now. Though we're not that reckless (are we, we are not), I'll still wake myself up at 5am IST to check up. If I wake up, I don't know how someone is sus. And are there private subs? Nicktoon doesn't have one afak. I think kb black has an important role (idk why just a feeling). So do Rhino, digg and maybe duq. Anyway, I hope we don't lose a toon. A NICKEL. Or a dime. Or Nearly Headless Nick. Anyway I'm Krumm. And this is Daily News. Better than Victor Krum.	https://www.reddit.com/r/hogwartsverewolv esA/comments/iky5x2/g ame_ika_2020_nicktoon s_vs_disney_phase_1/g 3qkdh2?utm_source=share&utm _medium=ios_app&utm _name=iosmf		Omg pogs were the best!!			
Milomi10	pogs	Okay...						
		so far I feel like things are going fairly well? I'm talking a lot which might not be the best strategy but I've interacted with a lot of player so far which is nice and no one has openly called me out for anything. I do need to work on playing up the whole "new player" aspect because I'll only ever get to do that once. Idgaf about who goes tonight because I know it won't be me. This game is pretty chaotic. I don't trust anyone.	www.random.org		You might get 2 games as a newbie since this one is bananas!			
chxths	talkgirl	My day 1 summarized: Talking too much Wanting to avoid a tie Changing my vote like 4 times I'm really doing great out here						
chxths	Talkgirl	I know I stated my evil intentions in a previous letter but I'd rather just try and confirm as much as possible right now.						
chxths	talkgirl	I feel really bad about ultimately voting for whatever her name is, but we just need some kind of consensus. :(

MJENIOUS YOU - I KNOW YOU GOT TAILS STOP LYING. acco and sylvimelia. = And everyone who didn't vote for me. I'm really sorry for shouting. Love you hosts and sorry audience. Milomi10	pogs	YIKES YIKES YIKES YIKES YIKES the vote did not go as planned which is really fucking concerning. 2 Disneys are dead and we could have lost up to 4. There's a high chance we're now down in numbers which is not good. A lot of people are dirty little bastards and didn't state their intentions in the vote tally yesterday or the fucking voted the other way. I still know next-to-nothing and I really haven't idea about where to go. My secret other side theory is most definitely wrong. My test to prove it or not though will come today though. I will continue to push my theory, and if I get attacked overnight I'll know that it might be true. Luckily I'll survive and I won't become a martyr. In conclusion, I don't know anything. I'm making up BS theories to comfort myself, and my team is probably down in the numbers. Yay!!!	https://youtu.be/4QDuJ_krQbQ			Lmao welcome		
chxths	talkgirl	Already losing my mind :)		:D				
chxths	talkgirl	Chxths is seriously giving me experienced player vibes. Either an alt or they have a bright future ahead of them here on hww. Assuming they don't get killed of course, which looks most probable atm.		psst secret alts aren't allowed.				
Kariert	Gogurt	Ok here's my conspiracy theory of the game: team Disney has many more members than Team Nick. A few things back me up here. 1. It's chaotic. I know the hosts would love to see a small team win with no private sub/special wolf powers 2. As far as we know, there could've been 4 Disney deaths last night. 3. It would make lying much more interesting.						
		Some counterpoints: 1. It would be obvious once only team Disney is dying for a couple rounds. Only releasing 1/3 affiliations could make it impossible to realize. 2. There's the chance that team Disney just wins quickly. I see this as unlikely because of the whole lying thing a mass affiliation claim would basically be useless. 3. If there was a mass role claim, it could become apparent depending on the roles assigned.						
catshark16	doodlebear	Anyways, I'm definitely wrong but just in case I gotta have the record so I can be like "I told you so" in the small chance that this is real.	https://tenor.com/view/dont-tell-me-what-to-gif-13318921

		Hi, I have a lot of theories. I might comment one of them, not sure if that makes me more sus (with sulfite/foefom: btw thank you for calling me milo, that's a nice nickname <3). What if Duq and Rhino were bonded ones? Of Disney? If one of them gets the most pink slips, the other will quit in support. And I dunno why Rhino gave in his badge, but this is one reasonable explanation (pls tel me I'm right). Secondly, I think Digo is a little one. A little one would place their action on themselves because they see everyone who visits their chosen roommate. Or he can be a protective one. I think the chaotic and friendly ones helped a lot :) otherwise I'd be in the ghost sub. I think the magical ones have the rightly actions? Not that sure yet. I'm sorry and no Unagi (love the username, Ross) and poopy, and duq and rhino. Anyway, gotta go peace out. This is Krumm speaking, better than Viktor Krum.	https://www.reddit.com/hogwartssewerewolv esA/comments/ikuxhga me_ika_2020_nicktoons_vs_disney_phase_2_th e/g3t9wb8?utm_source=share&utm_medium=web2&conten t=3	YES THEY WERE BONDED. SAY IT IN THE SUB.	That's a bingo!			
Milomi10	pogs	Oooooohhhhhh who was confident but now feels quite silly SYLV I MEL IA sneaky friends and glitter and four legs has she SYLV I MEL IA if paranoid obsession be something you wish SYLV I MEL IA then hop on this sub and refresh like a... fish SYLVIMELIA SYLVIMELIA SYLVIMELIA SYLVIMELIAAAAAA narcissistic adaptation aside, at least two Disneys are gone :(and at least two important roles :') and as you can see Bambi here is extraordinarily conflicted but this is amazing thank you excited for stuff to start kicking off later when people figure out any remaining friendly ones and little ones can probably reveal without revealing their team wow this is long now sorry k bye	https://imgur.com/gallery/vTrMhYX	This is gold.				xD I love your version of Spongebob
syvimelia	fruitbythefoot	Hi, sorry for shouting earlier (four hours ago). I think this could work out. I might use my action on chxts (I AM ANGRY AT YOU THOUGH YOU ARE NEW, LINK BELOW) or raspbery cordelia (she seemed confused, ik i am but she was probably confused about how her action didn't go through or something like that). I'm shooting in the dark, and angry at sulfite/foefom. chxts and everyone who SURPRISINGLY GOT ONLY ME AS AN RNG. LIKE HOW IS THAT POSSIBLE. I won't do the probability math, but c'mon. This is angry Krumm, better than Viktor Krum.	https://www.reddit.com/hogwartssewerewolv esA/comments/ikuxhga me_ika_2020_nicktoons_vs_disney_phase_2_th e/g3t17sw?utm_source=share&utm_medium=web2&conten t=3					
Milomi10	pogs	My action last night. Holy shit I learned my teams killing role night 1. If only I knew how to deal with this information		I love this.				
Dirtymarteeny	furby	...my day. Of course I used my action on guy who died. Honestly, I had a feeling Rhino was wolf and it's good that he is voted out. I played Among Us with him and almost every time he is imposter he blamed it on me. And others joined him. He would sure do it again here. I use to use my ability on people I know. Squash, you will be next. I hope to reveal at least one wolf so I can have feeling that I contributed to our village somehow. Still have same dilemma like in olympics game. If I find wolf: tell them? Or remain silent and gather more info? But what if I die while gathering info and then being unable to give any info? I will think about it. Hope somebody finds some mistake wolf did and we have someone to vote. See ya tomorrow (I hope)						
EiPapo131	Gak	Hi! I think EiPapo is on the side of Nicktoons. Yay for me. 2 Disneys are out!!!! I don't know about the poopy and unagi though. A few people agreed with my theory so that's a plus. I really think that chxts will start a train on me... I don't think there are private subs, but not entirely sure. If I ever do reveal I'll be able to make this huge comment explaining why I think a person has a role and so on. But, if a seer reveals, they'll be pressurized or like the june game the role (star of the show maybe) with nightly kill action can fake reveal then start a train on the other seer. Let's see. I'm better than Victor Krum, so that's good.	https://www.reddit.com/hogwartssewerewolv esA/comments/ikuxhga me_ika_2020_nicktoons_vs_disney_phase_2_th e/g3t9w9x7context=3	(((You had a really rough 2 days I am SORRY. :(((ooof that is how it goes sometimes			
Milomi10	pogs	Today I really just need to play a lot of damage control and be super agreeable with everyone. chxts	talkgirl	Hi, I'm still stuck. Chxts is now wholesome and olaf. And not voting me out. But who do we even vote out? I don't think we have any townies and wolves, but elpapo might just get voted out because he slipped. Chxts and elpapo are literally playing a tennis game of reverse psychology. Why does everything blow up when I'm about to finish some work and sleep early. "sob emoji". Anyway, this is Krumm, better than CryTor Krum.	https://www.reddit.com/hogwartssewerewolv esA/comments/ikuxhga me_ika_2020_nicktoons_vs_disney_phase_2_th e/g3t9w9x7context=3

chxts	talkgirl	I am messy (and annoying) as fuck!			<3 #teamChris			
Milomi10	pogs	Hi, I was right. RIP EiPapo and syvimelia. Okay so this means that Rhino is a bonded one since we only lost one person from pink slips. As for the second one, we probably have two actions that happen every night and one action didn't happen today. Anyway, good morning, I'm better than Vibgyor Krum.						
Milomi10	pogs	So, Ei Papo revealed himself as team nicktoons and I know a bunch of disney people likely voted for him. I know have to figure out who the votes were and eliminate systematically. Right now I think maybe Milomi or Firewhiskey.						
Diggenwalde	troils	In other news, Rhino is out, and that makes me gleefully happy.		Hey, only I can be mean to my mom! D:<				
chxts	Talkgirl	booking it now (today is phase 3). Osenyu is Disney and he's going to get targeted by the Nicktoons killer hopefully someone saves him Hopefully I'm right						
chxts	Talkgirl	don't know if I'm supposed to do these once I'm dead but nowhere says I can't sooo.... (who the heck shot ME?! I'm not a useful target! I'm small and new and a baby deer who can barely walk! chxts	talkgirl	Hi! Okay, so chxts did not have any action. Probably a star of the show? RIP elpapo, and long live the nicktoons still have no clue how they got voted out. It's like people are communicating outside the game and seers have revealed in another sub? Idk, but I think someone knows something someone else knows but others don't know. Like a new role wincon. I think accio is a nicktoon too because (link) makes it seem that they want to know who's on their side. And that's it for today. I'm your toon, Krumm. Better than Victoria Krum	https://www.reddit.com/hogwartssewerewolv esA/comments/ikuxhga me_ika_2020_nicktoons_vs_disney_phase_2_th e/g3x58rc2?utm_source=share&utm_medium=web2&conten t=3	I love you better than Victor bit. Never change.				
Milomi10	pogs	I don't like this osenyu vote because I'm pretty sure osenyu is also a Disney.. forsidious and definitely not a wolf both "RNG d" onto Osenyu right around the same time during a phase where Osenyu made a comment that highly indicated they might be Disney. I need to look out for those two because they might very well be Nicktoons						
chxts	talkgirl	I CALLED IT I CALLED IT ofc Osenyu was Disney

Dear Judy, my name is	and my code word is	I am writing to you about...						
DefinitelyNotAWolf27	Spaghettios	Haha imagine if my phase 3 vote for Osenyu wasn't an RNG and was actually me catching on to him saying that Team Nicktoons might be the wolf team even though ElPapo didn't mention the specific team at all	https://www.reddit.com/hogwartsverewolv esA/comments/im70x1/g ame_ixa_2020_nicktoon s_vs_disney_phase_3_i m_inq3x9y2?utm_source=share&utm_medium=web2&conten t=3	lollll and you and Chxths right above you				
chxths	talkgirl	My goal this phase is to get a "RNG" vote train onto forsidious or definitelynotawolf because I think that forsidious especially is Nicktoons. As detailed in a previous toon mail, the guy that got pink slipped this round made a comment that implied he was Disney. I think that at least one of them also caught on to that. I need to get a Nicktoons out.						
Milomi10	pogs	aPOGSlogies (sorry bout the pun). I haven't sent a postcard in a long time - Happy Teacher's Day! KB_black = either big one, chaotic one, probably not chill because little-kylie isn't very active, or a wise one. Definitelynotawolf got gif silenced, which is really cool. I'll probably use my action on them because they may have been targeted for a reason. Other news: the event i co-hosted with a friend (something like a business simulation) went really well so i have 90% lesser zoom calls to attend (to coordinate with him), but got to research for something else. I want to see how everything plays out. DMT has an important role so i might put my action on them instead (link given) - that sounds like they know something. That's it for the hour, gotta go. I'm Krumm, better than SleepFor Krum. :)	https://www.reddit.com/hogwartsverewolv esA/comments/imst3/ga me_ixa_2020_nicktoons_vs_disney_phase_4_tel isq45kfq?context=3					
Milomi10	pogs	Hi, I'm going to die today. Chxths is dangerous. Forsidious too. I want to counter but I'm dead and tired. I've been staring at a screen for 10 hours? I'll declare my vote then see what happens. Chxths is Disney for sure. Like for sure. Hope he gets splattered with SLIME AND GLITTER. Die bye. Better than DeadFor Krum.	https://www.reddit.com/hogwartsverewolv esA/comments/imst3/ga me_ixa_2020_nicktoons_vs_disney_phase_4_tel isq45kfq?context=3					
Milomi10	pogs	I have discovered two likely team Disney members, and I don't know how to expose them for THE FILTH THEY ARE. I think Milomi is part of a secret sub, they way that people lined up to protect her. But then, I also think osenyu committed suicide by signaling they were on team Nick and attracting the Disney vote, and guess who voted to kill Duq over Milomi, and then also voted Osenyu? I can't resist the octavie. Definitely not a wolf is also gif silenced, and I feel like that is just a way to say "Please don't vote for me! I was a target" and now I think we should target them too! I think Chxths is on to something with a secret faction, but I doubt it's a 3rd team, and more of a sub sector of the teams that can coordinate, hence the weird Duq/Milomi split. I bet team Disney is pissing their pants knowing they voted one of their own out last night. Also, I think I successfully protected myself UT THE MODS WONT TELL ME IF I DID NOR NOT, WHICH ISNT COOL.	https://www.reddit.com/hogwartsverewolv esA/comments/imst3/ga me_ixa_2020_nicktoons_vs_disney_phase_4_tel isq45kfq/	You did! Happy to answer that "here".	YOU TOTALLY DID!			
Diggenwalde	trolls							
Diggenwalde	trolls	I know there probably isn't a 3rd faction, I just need to convince people to vote Milomi	https://www.reddit.com/hogwartsverewolv esA/comments/imst3/ga me_ixa_2020_nicktoons_vs_disney_phase_4_tel isq45kfq/	Digg, please see two confessionals below.				
Milomi10	pogs	WHY AM I GOING TO DIE? OMG CHXTHS I AM ANGRY RIGHT NOW, LIKE ZEUS ANGRY, YOU SHALL BE SORRY. I'm super sleepy and my phone got confiscated and I'm pissed off at how sleepy i am, and I have no valid way to defend myself and this is turning into a vent, so I'll just go to sleep and hope i can rest in peace. i die every alternate game, but if i don't die, i will be joyful and rethinking my life and narrating the one miracle that stood out, how i did not die featuring chxths and loyalty, BETTER THAN DYINGTOR KRUM. rip me. I'm really sorry if i could have done more, but i didn't.		RIP your phone.

ICantReachTheOctave	Gushers	The poems at the beginning of each phase. I absolutely love them.						
chxths	talkgirl	please please please let me be right about milomi and the secret faction or I will go down as the biggest idiot in HWW history. Tbh the worst case scenario is Milomi not being a secret faction member but there still being a whole other secret faction. Ugh. Time will tell I guess. I'm either a genius or a numb skull, there's no in-between.		Oof.				
chxths	talkgirl	Also, idk if anyone will ever target me at night. Me and my crackpot theories are like 50% of the comments on each post and I'm a really good shield for people to blame stuff or pin stuff on for a potential role. If i get silenced or glittered soon I'll be shocked especially because I think that at least one of the magical ones are dead.		LOL everyone is targeting you all of the time, actually. You have been targeted the last 3 phases. Just not by the magical ones.				
chxths	talkgirl	And now I wait. In a bit I'll either be celebrating hard or devastated. My ego waits...						
chxths	talkgirl	So...no secret faction. But at least milomi was Nicktoons. Also, I just zoomed through the puzzle and I really hope i got it all right lol. Today will be interesting. I fully expect to be targeted.		Well done on the puzzle!				
Diggenwalde	trolls	I WAS KILLED BY MY OWN TEAM, HOW DARE THEY. What a bad time for team nicktoons, but it looks like Disney has faced massive casualties.		ROOOOOD.				
Milomi10	pogs	I wanted to play this game badly and I found it interesting. Now all that had to happen was DIE. Don't people have mercy? And the coolest thing is that I'm not sus or a wolf. Because they voted me out in phase 1 and got results I'm being held. I'm like Hulk right now. Ah well, fate is fate. And CHXTHS JUST YOU WAIT. YOU (I don't curse). I don't know if I'm better than Viktor Krum. At least he lived.		:((but I was so enjoying the Krum bit.				
Milomi10	pogs	I'm sorry if I was rude while screaming through confessionals. THERE IS A SECRET DISNEY SUB OMG. There should be a secret one for Nicks too. I don't know how they know I was a nick. Elpapo was a seer and they didn't target me. Finally everything makes a little sense. I'm rooting for the Toons. Krumm has a lot to do, and research. And regret me not finishing things on time. Anyway, take care! -definitely better than Viktor Krum :)	https://www.reddit.com/hogwartsGhosts/c omments/lldid/nicktoon s_vs_disney_game_disc ussion/q41jgl/?utm_source=share&utm_medium=ios_app&utm_name=iosmf	Yaas Victor is back				
kariert	gogurt	The voting form makes me wish my username was /u/slimshady		Bahahahaha				
chxths	Talkgirl	My goal this round is to try and cause a tie because I want to increase my chance of winning that raffle (assuming I got the puzzle right). Idk how I'll do that but it sounds like a good idea. My role has granted me a ton of leeway because I know that I won't die at night (for now) unless two people attack me in one night. All I really have to do is avoid votes.		You're on track for a tie right now, but when you submitted this I don't think you intended for you to be one of the people tying...				
Raspberry_cordelia	foxtail	Well, I only really did my action to see if KB_black was the protective one... I had no reason to think that except randomness, and I also think we're out of protective ones at this point so I should probably not aim for someone that I'm trying to vote out next time, lol. THIS GAME IS SO CONFUZZLING. I feel like this game is going to come down to seers. I'm going to target acciofirewhisky today, see what happens...hopefully I don't die.						
Milomi10	pogs	Chxths got voted out. So that's great. He was a Disney member! That's greater. Cat shark was Disney too. WE DON'T have any more doctors . Digg and shark were the only ones. Toons might win the game, but you never know what'll happen. This is like a copy of what happened in Phase one voting. I had most votes (little kylie here), but someone else (chxths) got voted out lirc. And what's with all the GIF silencing? That's cool. Curiouser and curiouser as I fall down the rabbit hole of werewolves. That's it, I'm better than Viktor Krum, unless he doesn't yawn every morning.	https://www.reddit.com/hogwartsverewolv esA/comments/imndco/ga me_ixa_2020_nicktoons_vs_disney_phase_5_m yg498bev2?utm_source=share&utm_medium=ios_app&utm_name=iosmf					
Raspberry_cordelia	foxtail	"sigh", I am so bad at my role. So far, nothing spicy has happened (unless it happened on the first phase. I legit forgot who I put down that phase). And if it happened, I didn't notice anything happening (the hosts are probably face-palming right now because something spicy did happen and I'm just dumb). I was really hoping I'd catch a killer in their tracks and then in alternate nights just make them kill people I thought was Nicktoons, but unfortunately, that plan has not come to fruition. Well, hopefully this phase gets better!		this, tth --->	you aren't dumb, this game is bananas!			
Milomi10	pogs	Ooh Little Kylie is right!!!!!! There is a secret faction. Either she's part of it or she repeated what chxths and Forsidious believe in. Anyway, Julius Caesar calms me and I have to go . Bye! Milomi10	pogs	Raspberry cordelia is a Sneaky one! ldk why I'm so happy KB_black= dead Disney!!!!!! And there was no kill. This is yesterday's news, but I'm going through raspberry's results now. Anddd it's not that useful, but you never know. Still weird how little kylie hasn't been voted out. I think she's part of the secret disney or toon sub? And people are swinging votes to save her. And phases are awfully quiet. Many people don't declare and what's up with littlesb? In phases, both little and forsidious got gif silenced. Shenanigans, I must say. AND FORSIDIOUS GOT GIF SILENCED AGAIN THIS PHASE. Now I really think something's going on with her. Maybe a magical one keeps targeting her because magical one got info from seer that she has a role on the other side? Or has a glitter/slime ball similar to sylvimelia? I'm confused, and I wanna see how this plays out. Anyway, gotta go. Java calls. Better than CodeTor Krum.	https://www.reddit.com/r/hogwartsverewolv esA/comments/invqd9g ame_ixa_2020_nicktoon s_vs_disney_phase_6/g d4j96?utm_source=share&utm _medium=web2&conten t=3					
seanmik620	polypocket	Dear forsidious, I'm sorry that I keep silencing you. That is not my intention. I merely mean to kill you. Love, sean			yasss, see above, I love ittttt			
Milomi10	pogs	The game is so quiet. It's nice to spectate since I can catch up with all comments. And I spend half the time wanting to reply to comments eg: THERE IS A SECRET SUB and ONE SEER IS DOWN HRG EIPapo (thuh my phone suggested EIPapo with the letters capitalised when I type 'e'). I agree with you Topsy, what's happenin' ain't makin' any sense (no offence meant). Chaos Tuesday is on its way. I'm pretty sure there is chaos somewhere, either internal chaos which we don't know of or maybe hosts are managing chaotic sheets which overflow with so many (resubmitted) forms. Anyways, gotta go sleep - I've got to wake up at 7.30 - See you on the other side of the Reddit. And that's it for today, audience. I'm the mighty ghost of Krumm, who is better than NighTor Krum.	https://www.reddit.com/r/hogwartsverewolv esA/comments/ikw94/g ame_ixa_2020_nicktoon s_vs_disney_phase_7_j m42qas?utm_source=share&utm _medium=ios_app&utm _name=iosamf					
Milomi10	pogs	nooo. We lost two NickToons (Forsidious and mjenious - bonded ones I'm guessing. RIP guys, I'm rushing over to the ghost sub. And little kylie didn't get voted out. And raspberry cordelia is a disney! (magical one Toon PLEASE TARGET cordelia (if you are alive). And I got tagged. People have started revealing affiliations. DMT is Disney, little kylie is too, and isquash, and suitelfofem, forsidious claimed nick (so she got voted out. But we saw some chaos. So. And where are all the toons? Also, I love the game and all the mechanics and shenanigans. There was no kill last phase, so can I assume that FairOphelia was a magical one? Not very probable, but it's something. Anyway, second lecture starting in 2 minutes. (physics) so I might be back after 45 minutes. Bye! Milomi10	pogs	"pokes the sub" sub slime jiggles but no noise						
Milomi10	pogs	Why is it so silent? I get that there is chaos and shenanigans going on behind, but it looks like Disney is in control. I think Nickie claimed to be Disney so they won't be voted out? But Nickie don't have a seer. So that's sad. I mean how many Disney people are there? If I were looking for wolves, it'd be raspberry or Accio. (And definitely notawolf- reverse psychology. And are an alt? Not sure) And I agree with Octave. But I'm better than WereTor Krum.	https://www.reddit.com/r/hogwartsverewolv esA/comments/ios_app&utm _name=iosamf	The silence is killing me, too	I love this jiggy description			
Milomi10	pogs	Hil I love the Bill Nye event! Also, FairOphelia isn't a magical one. But this phase, both of them targeted people. And little8 was voted out. I still think accio had a major role. But no one would reveal nick after what happened to Forsidious. I'm still on the fence about voting out veterans but it's better than doing anything randomly. It's still very quiet but I guess if you try and strategise too much, the others will jump on you. And then try to fight with you. And end up voting you out. I might write again, but I've got to go for now. Bye! Better than BillTorNye Krum.						
ICantReachTheOctave	Gushers	Oooh interesting event, I love Bill Nye the science guy. I'll probably do it to review my schoolwork lol		Do ittt.				
Milomi10	pogs	OMG THE GAME TOOK A TURN. Pizza commented that there is a private sub. Now Disney people will probably use that information to filter out who are fake claiming. I mean, they can. The seer could've checked everyone who revealed to be on Disney to double check. And DMT can see who visits whom (I think I missed the reveal, I'll go search if they revealed their role). I'm still wondering if pizza will reveal the people who are in the sub. Let's see. Chances are pizza will get voted out by toons this phase. And DMT is super loud and persuasive. Hmm. This is Chaotic Thursday. Guess someone's die of thurs next time. Bye! I'll be up in 7.5-8 hours? Anyway, that's it for today. I think raspberry might be targeted or DMT. Milomi10	pogs	Um okay, little kylie. RIP raspberry cordelia (omg i was right) and definitely notawolf27. There's so much going on! And ummm 2 slime deaths? I was from the magical toon and the second was maybe a prize? Or someone had an extra slime ball? But no glitter kill? And there are only 7 people left in. This is exciting. I stopped keeping track of roles, teams and people's reveals etc. but I think people are definitely lying. The game is still pretty quiet. I still don't know what happened in phase 1 and why I didn't get voted out. Seanmik is spelled wrong in the roster. It's weird but many of the quiet players are left in the park. WAIT OMG SUITELIFE OF EM WAS A MAGICAL ONE. I forgot about last phase meta. whoa. we could've voted them out early in the game. whoa MY GOD. But I think the Disneys who knew that tried to swing votes off of them. So. lots of information, all fragments of things. But, if we try to piece it together, phase by phase, we can get a proper picture. I might try doing that. Gotta go, Aurangzeb is irritating. Bye! Milomi10	pogs	Whoa it's super quiet. We just won the Nobel Silence Prize. 9 comments and we are 7.5 hours away from turnover. Let's see what happens. There are only 7 people and assuming there's a kill, there should be 5 left tomorrow. And I think there are more toons than Disney. I'm waiting to see what happens tomorrow (today morning). 8/31/2020 23:29:09	FairOphelia	Powerrangen	YES BUT WITH EMPHASIS!	A star of the sho	do not have a required action	to eliminate all of the Nicktoons Cast	Yes, I understand.	You already know me, but I like talking so let's do this. I'm a 31 year old farm girl in a rural area north of Seattle. I'm a stay at home mom and I'm finishing my bachelor's degree in special education. I want to teach special ed in an elementary school because I love to help kids and I'm great at making up dumb jingles on the fly, doing art with crepe paper and glue sticks, and calmly telling Aiden/Jaden/Cedens that even if pinching is a silent activity, it's not appropriate for silent reading time. I'm a total bleeding heart softie, it's my greatest weakness and my greatest strength. If any human or creature needs help, I FUCKING GOTCHU. But if you need a doomat, my strength evaporates and I'll let you tell me where to lay down so you can walk all over me. My heart is so big it's weakened my backbone. My perspective on people's intentions is pretty healthy though. If I'm legit bullied I'll cry, but in HWW where it's all very literally fun and games. I don't get salty. I don't rip over Monopoly boards or rage quit video games either. Respectful people always have my respect. You already knew all that though. How about some new stuff! I cuss a lot, everyone assumes I'm this angelic little dumpling, but then I drop a string of profanity and jaws drop. I edit my language when I don't know whether or not someone will be offended, but IRL most of my peeps are ok with my foul mouth. I painted myself a set of rune stones today using stones I found on a local Puget Sound adjacent beach. I'm descended from Vikings and like to cast runes. It feels witchy cool and badass. And I'm getting over my fear of spiders by naming them. I still kill fast, mobile ones, but the big ugly guys that stay in their webs (outdoors only, not indoors), like orb weavers, get names and I talk to them. It helps ease my daughter's fear and it keeps the bad spiders, like hobo spiders, at bay. I'm an arachnophobe who talks to big ass spiders like Claudine. And lastly, I'm really looking forward to this game and I'm STOKED to be Snow White!

I enjoy maths (yes mathS) and theories and puzzles and I sincerely hope mine are better this time round. I'll most definitely be procrastinating schoolwork for this this month which means I might have slightly less time to screw everything up than last time, but I am still so so excited and glad to be playing!
