	Do you participate in the subreddin, discord, or both? (This information will be crucial for part of the verification process)	Are you a turker(as in you don't post, or comment) or a contributor?	What do you consider yourself to be, or rather what is your transition status?	What sex were you born as?	What gender do you currently identify as?	How long did you take HRT before temporarily detransitioning?	When would you say you first started to excludy transition?	What age did you retransition?	What were your reasons for retransitioning?	Why do you consider yourself retransitioned and not just transpender person again who took a momentary passer?							
1/14/2023 14:10:0	Subred St (ridetane)	I lunk only the subred St	Lant a retransitioner [detannitioned temporarily and now back to identifying as transpender]	Female	Male	I took HRT for under 6 months	8-13	19-01	Realized Gender Dysphoria was only helped by stansilloring	I am stond, but my journey has not been that fence. Chemistoning was super-important in provided a places and allowed me to come to better within yoursel are, as well as try other teatment members for dysphoria. Its bilentweek. Ch one-hand, you have a disleped standard is audiosity. On the other hand, my dysphoria is now alleviaded and I touly feet the destandationing helped the come back as a more integrated person.							
1/24/2023 12:10:9	Subred St (ridetans)	Lonly post in the subreddt	I am a retransitioner [detransitioned temporarily and now back to identifying as transgender]	Female	Nik	I took HRT for 6 months to 1 year	22-25	30+	Realized Gender Dysphoria was only helped by transitioning. Co-morbid ments health issues ended up unrelated to gender dysphoria, Support in physical surroundings after prior environment has none or a fact of. Financial concerns are no looser and issue.	al Because I went through a lot of touble to be the most "woman" as no one would know I was transforming before (my family is awfully displaymental sometimes over my husband who is trans)
