2024 Summer Camps Brochure

Important Information - PLEASE READ - It will answer most of your questions!:

All of Our Camps are for Registered 301 Students Only!

When registering please select the grade level your child is **ENTERING** in the 2024-2025 school year. All Camp Costs are as is. The dates listed for our camps ARE NOT pick and choose, any of our camps that have more than one week, your student is encouraged to attend all the weeks offered for that level, but it is not mandatory. - There are no discounts if you go 1 day, 1 week, or for all the days/weeks of the camp(s) you choose. The cost listed for our camps are not per week or per day they are for the whole camp level that you choose.

There are no refunds or exchanges of camp(s) fees and camp fees can not be applied to any of our Athletic Fees. Camp Fees do not count toward your Family Max Athletic Fees. There is no Family Max Payment for Camp Fees.

You must register AND pay for camps to be eligible to participate. Payment alone is not registration of a camp and registration alone is not sufficient enough to be able to attend camp. Both steps must to be done in order to be able to participate in any of our camps!!

If you have any specific camp questions please reach out to the coach hosting that camp for assistance on those questions.

Here are step-by step instructions on how to Register for Summer Camps & Registration Information:

You must register your student in Rschool - Payment alone is not registration! If you forgot your login and or password please contact Amy Rodriguez via EMAIL ONLY at Amy.rodriguez@central301.net and she will be happy to help you (unfortunately this is not something she can help you with over the phone so please email her) - **DO NOT CREATE A NEW ACCOUNT**, if you do you will not be able to register your student in the system and you will be stuck instead!!

[RevTrak Payments](#)

When paying please make sure you ONLY put your students LAST, FIRST name in the comment section DO NOT USE nicknames, DO NOT type in Multiple students name in this section OR ANYTHING ELSE OR YOU WILL MESS UP THE SYSTEM and we will not be able to see who you paid for

Registration for all Summer Camps will Temporarily Close & then Re-Open again:

Registrations for all our summer camps will temporarily close on **Friday, May 24th at 3pm** so that we can verify all registrations & payments over that weekend. During that time you will not be able to register or pay for any camps. We will re-open all of our summer camps again on **Tuesday, May 28th at 9am**

Checking on your Registration:

When we take down the system on **Friday, May 24th at 3pm** we will be verifying all registrations & payments over that weekend. Please do not contact us to see if you did it correctly because unfortunately we do not have time to do any one off checking to see if you did it correctly as we are working through other things with the ending of our spring sports season, graduation and many other items all this time. YOU can check yourself by logging back in and seeing if you registered and or paid.

All Statuses will continue to say pending until we update them during the time we verify registrations and payments while the system is down. We will be updating all pending statuses in our rschool system. Once the system opens up again on **Tuesday, May 28th at 9am** you can then complete anything that you may have missed. But until then we will not be able to check your registration and payment status for you. Thank you for your patience and understanding!
