NOTE				
This list aims to create a comprehensive list of all winners of the Hugo Award for Best novel, the Nebula Award for Best novel, the Locus Award for Best Science-Fiction novel, and the Locus Award for Best Fantasy Novel. Please keep in mind that only those categories are considered: e.g. if a book wins a Locus Award for Best Debut but not for Best Novel in general, it will not count for this list.

NOTE				
The list is in reverse chronologically, in order of publication (not the year of actually winning)				
UPDATE - 2018.07.15				
I would like to make this spreadsheet as accurate as possible. If you have any information or updates, feel very free to message /u/Velzerat on reddit or make a comment on this sheet. Any and all info is welcome!				
QUESTION				
I might add a tab for Best Novella too. In the future. Dunno.
