StarkWare Scholar Summit	StarkWare	8/5/2024	9:30:00 AM	6:00:00 PM	https://lu.ma/n9xrdxvf	Join us at the StarkWare Scholar Summit, the must-attend side event at the Stanford Blockchain Conference. This is where a global community of researchers, engineers, and thought leaders comes together to explore the latest and greatest in blockchain tech. Get ready for a day packed with excitement and discovery at The Science of Proof: Client Side Proving & More at SBC24. Join us on August 5, 2024, from 9:30 AM to 4:00 PM at Hadron FC's space in New York City, Station3.
The Science of Proof: Client Side Proving & More at SBC24	Polygon, Aleo, and Aztec	8/5/2024	9:30:00 AM	4:00:00 PM	https://lu.ma/1zejv0nn	Cohosted by Polygon, Aleo, and Aztec, this event promises to be a thrilling exploration into the world of client-side proving and beyond.
Crypto Cafe	Strobe	8/5/2024	2:00:00 PM	5:00:00 PM	https://lu.ma/vxsm1m2t	Join us for a relaxed morning of fresh coffee, tea, and light bites to kick off the week for SBC.
ChainAbstracted Nerds GetTogether	Socket, Archetype, Chain Abstracted Nerds	8/5/2024	2:00:00 PM	5:00:00 PM	https://lu.ma/xmsxw94	The ChainAbstracted Nerds are hosting their first-ever group hang in NYC, a limited-seat event. Nerds interested in Chain Abstraction only.
Polygon x Hadron FC - The Science of Proof: Happy Hour	Polygon x Hadron FC	8/5/2024	5:00:00 PM	7:00:00 PM	https://lu.ma/d53txb6	Following The Science of Proof: Client Side Proving & More at SBC24, we'll be thanking Hadron Founder's Club for allowing us into their space, Station3, and celebrating the kickoff to Science of Blockchain Week in NYC. Come and enjoy drinks and hors d'oeuvres, network with fellow blockchain enthusiasts, and find out where you can find Polygon throughout the week - and grab some swag while you're at it! Space is limited so be sure to register and arrive on time - guests will be welcomed on a first come, first served basis.
ZK Security Happy Hour with Archetype NYC (pre-SBC)	Archetype VC	8/5/2024	6:00:00 PM	8:00:00 PM	https://lu.ma/7m7gjqu	Are you in New York waiting for SBC to start? Are you into zero-knowledge proofs? Do you care about security? We over at www.zksecurity.xyz like the same things you do! So come hang out with us at Archetype's office! And before you ask, yes there'll be pizza and beer. You want more ZK events? Subscribe to our future and see our past events here: https://u.ma/zksecurity. Archetype is an NY-based early-stage venture fund focused on accelerating the decentralized future. https://www.archetype.fund/ zkSecurity is an international security organization focused on the development and the continued security of zero-knowledge proofs, multi-party computations, and fully-homomorphic encryption schemes.
On-Chain Happy Hour with Polygon + Theo + Inco	Polygon + Theo + Inco	8/5/2024	8:00:00 PM	10:00:00 PM	https://lu.ma/m6v1nw	Come grab a beer with fellow builders and discuss the on-chain future. Open to everyone from curious newcomers to seasoned veterans.
crypto chess club - SBC edition	Strobe	8/5/2024	6:30:00 PM	9:30:00 PM	https://lu.ma/0e1g7ppq	Crypto chess club is back. Reset with some soft forks before SBC. Fuel Your Blockchain Journey with a Daily Dose of Adventure!
Run Builders Run	Adem	8/6/2024	7:00:00 AM	7:30:00 AM	https://lu.ma/stmc7ox7	Calling all blockchain builders and innovators! Ready to boost your cognition and creativity? Join us for an exhilarating daily challenge that promises to energize your mind and body. August 5th - 10th. Just 10 minutes a day. One invigorating mile.
Blockchain Application Stanford Summit (BASS) at SBC 2024	Stanford Blockchain Club	8/6/2024	9:00:00 AM	6:00:00 PM	https://lu.ma/bass-sbc24	BASS (Blockchain Application Stanford Summit) is the in-person focal point of Stanford's Blockchain entrepreneurial ecosystem. It's an event series gathering our global community of researchers, engineers, and thought leaders to connect and explore blockchain's latest topics in depth.
The Summit on Responsible Decentralized Intelligence	Berkeley RDI	8/6/2024	9:15:00 AM	6:00:00 PM	https://rdi.berkeley.edu/events/decentralizationsummit24	The Summit on Responsible Decentralized Intelligence —— Future of Decentralization and AI, hosted by Berkeley RDI, aims to bring together researchers, innovators, thought leaders, and builders to showcase and discuss responsible innovation in decentralization and AI for a greater future for humanity.
2024 SBC DAO Workshop: Science and Engineering of Consensus 2024	Decentralization Research Center, Metagov, Tally / Stanford Txe Lab	8/6/2024	9:30:00 AM 9:30:00 AM	4:00:00 PM 5:00:00 PM	https://thedrcenter.org/sbc-dao-workshop-2024/ https://twclab.stanford.edu/workshop-sbc24/	On August 6th, the Decentralization Research Center, Metagov, and Tally will bring together an intimate group of leading academics and industry representatives to explore updates on DAO research and development. This is the third annual DAO Workshop at the Science of Blockchain Conference, which is organized by IC3, the Stanford Center for Blockchain Research (CBR), and UC Berkeley RDI. Science and Engineering of Consensus 2024 is an affiliated workshop of The Science of Blockchain Conference 2024
SBC Cryptography IDEAHOUSE	Lita	8/6/2024	10:00:00 AM	12:00:00 AM	https://lu.ma/f40mq3	Join us for the SBC Cryptography IDEAHOUSE from August 5th to 12th at Liberty House, located on the 2nd floor of 317 East 8th Street in New York City. Hosted by Lita, this event offers a unique co-working and workshop space where you can collaborate with SBC speakers, sponsors, and researchers. Whether you're working to brainstorm new cryptography challenges, explore innovative constructions and tools, or discuss product directions, this is the perfect place to dive deep into the world of cryptography.
Variant Research Day: Future of Crosschain	Variant Fund	8/6/2024	10:00:00 AM	1:00:00 PM	https://lu.ma/58ppx2n6	Join us for the Variant (pre-SBC) Research Day focused on the future of crosschain. We're bringing together top researchers and builders for a day of learning and connecting with other crosschain focused projects in the space. We'll discuss topics like shared state, intents, messaging, precompile approaches, and more. This half-day event will feature speakers from key projects focused on the crosschain space including Hyperlane, Astria, Espresso, EigenLayer, Puffer.fi, Sorella, and more.
ZK Day at SBC '24	ZKM, Aleo	8/6/2024	1:00:00 PM	8:00:00 PM	https://www.zkm.io/events/house-of-zk-day-york	Join us during SBC'24 for a day filled with technical workshops & debates about Zero Knowledge followed by our exclusive Happy Hour, co-hosted by ZKM & Aleo, and co-organized by IC3, Stanford CBR, and Berkeley RDI.
DePIN Day @ SBC	DePHY network & OKWwa3	8/6/2024	3:00:00 PM	8:00:00 PM	https://lu.ma/v4baay7	This event is designed to gather leading innovators and experienced professionals in the field of DePIN. The focus will be on the latest trends, challenges, and potential solutions shaping the blockchain landscape in 2024.
Restaking & AVS Happy Hour	Lagrange, Finality	8/6/2024	5:00:00 PM	8:00:00 PM	https://lu.ma/ebub4c6z	Join researchers, builders, and friends in Tribeca. We'll have light snacks and refreshments.
Blockworks Beers	Blockworks, Polygon Labs, Hadron	8/6/2024	6:00:00 PM	9:00:00 PM	https://www.universe.com/events/blockworks-beers-august-6-tickets-new-york-city-856FXK	Blockworks is back with another installment of our IRL networking series: Blockworks Beers. We partnered with Polygon Labs and Hadron to bring you the coldest beer in NYC and the best networking in crypto. Stop by for a drink, chat about aggregation, meet other investors and...share a laugh. See you there! We're excited to bring Data Availability, Zero Knowledge, and AI builders, founders, investors, and researchers together! The focus will be on the latest trends, challenges, and opportunities shaping the mass adoption of crypto and the intersection of blockchain & AI. Join us for great conversations, insightful speaking, fancy foods and drinks, and crypto native networking!
Infra x AI Night at SBC	Dill, Chalca, ZettaBlock, GAIB, Morphic, Polygon is the event partner.	8/6/2024	6:00:00 PM	8:00:00 PM	https://lu.ma/9w11amv	This event is partnered with Polygon Labs. Space is limited, be sure to register asap!
Open Cafe at SBC	Electric Capital, Monad, Espresso Systems	8/7/2024	9:00:00 AM	4:00:00 PM	https://lu.ma/0nbv5p8n	Come hang out and work with us during SBC at Columbia. We'll be across the street with tasty coffee, delicious food, strong WiFi, plenty of outlets, and great company.
SBC Donuts & Coffee w/Haibom, Core, Pell, and Sushi	Haibom, Core, Pell, and Sushi	8/7/2024	10:00:00 AM	1:00:00 PM	https://lu.ma/bs7qewv9	Join us for an SBC Donuts & Coffee w/Haibom, Core, Pell, and Sushi at Afternoon - Upper West Cafe 2765 Broadway, New York, NY 10025.
New frontiers: How AI matters for Crypto mass adoption	Herrera & CertiK	8/7/2024	2:30:00 PM	7:00:00 PM	https://lu.ma/nuhvvlfy	Join Herrera and CertiK in NYC this August for a special side-event during the Stanford Blockchain Conference! Enjoy networking with industry leaders and participate in engaging panels, debates, and keynotes on AI, security, and high performance blockchain.
SBC Opening Party	Electric Capital, Monad, Espresso Systems	8/7/2024	4:00:00 PM	8:00:00 PM	https://lu.ma/ezorvd0	Join us for the SBC Opening Party hosted by Espresso Systems, Monad Labs, and Electric Capital. Come and enjoy delicious food and drinks to kick off the conference in style. We look forward to seeing you there!
SBC Happy Hour	Fuzzland, OffChain Global, ZettaBlock, Swan, SNZ, and Blockless	8/7/2024	4:00:00 PM	8:00:00 PM	https://lu.ma/owpp1qe	Join Fuzzland, OffChain Global, ZettaBlock, Swan, SNZ, and Blockless for a happy hour after day 1 of SBC 2024! Just a block from the conference, swing by for an open bar, delicious appetizers, and a chance to meet the teams behind some of your favorite products!
Embrace The Bull - SBC Afterparty	OneFlace Labs, OG, Camp, HashPledge, Franklin Templeton Digital Assets, OKX Ventures	8/7/2024	6:00:00 PM	9:00:00 PM	https://lu.ma/SBC24OFL	Dive into the Ultimate SBC Afterparty Experience! Save the date for August 7th and join us for the most unforgettable afterparty yet. Get ready to make memories that will last a lifetime as we gather the West3 community in SBC for an evening of fun and networking. Don't miss out on the best crypto gathering in town – secure your spot now!
SBC Saloon	Alchemy // Sei Network // Up Top // Magna // Nodekit // Capa // Camp Network	8/7/2024	6:00:00 PM	10:00:00 PM	https://lu.ma/kvue9t8h	It's everyone's favorite academic conference, and you're mentally cooked from trying to keep up with the deepest technical minds in the space. We got you. Pull up to our beautiful rooftop venue to decompress and catch a vibe with friends over a drink or two.
Traders Guild: Flow is All You Need	Traders Guild	8/7/2024	6:00:00 PM	9:00:00 PM	https://lu.ma/yomdic	Join us for an exciting and insightful evening at the "Flow is All You Need" meetup, where top traders, trading enthusiasts and protocol designers chat about the only real use case for blockchains.
Carbo Ai x Protocol Labs NYC Dinner	Carbo Ai x Protocol Labs	8/7/2024	7:00:00 PM	10:00:00 PM	https://lu.ma/3mwav5x	Join us for an exclusive dinner networking event with Carbo Ai and Protocol Labs at Cecconi's in The Ned NoMad.
Bitcoin & Beers	Citrea	8/8/2024	7:00:00 AM	10:00:00 AM	https://lu.ma/ickivd5	Join us at the heart of New York for a night full of beers and Bitcoin conversations!
Board Games with the MegaMafia	MegaETH	8/8/2024	9:00:00 AM	12:00:00 PM	https://lu.ma/usit36vp	Play board games with us during SBC!
Crypto Coworking Cafe - Hosted by =nil;	=nil;	8/8/2024	9:00:00 AM	1:00:00 PM	https://lu.ma/1hek50vv	Join us for a relaxed morning of fresh coffee, tea, and light bites during SBC. =nil; is an Ethereum L2 powered by zkSharding.
Crypto Security & AI Security	CertiK, Yale Blockchain Club, Morphic, Solo	8/8/2024	1:00:00 PM	5:00:00 PM	https://lu.ma/k1nlx4ee	Join us for an engaging panel discussion on Crypto Security & AI Security featuring distinguished speakers from the fields of computer science and artificial intelligence. This event will provide valuable insights into the latest advancements and challenges in ensuring security in the realms of cryptocurrency and AI.
Generative Browser: SBC Conference NYC	Dillon Key and Varun Mathur	8/8/2024	3:00:00 PM	5:00:00 PM	https://lu.ma/33kbe0ei	Join us on August 8th for a special topics session on the Generative Browser during the SBC Conference in NYC. We'll kick off the afternoon with a keynote presentation on the Generative Browser and discuss the breakthrough category as a new type of software. Software as we know it is changing, the change here is as transformative as the original Netscape browser itself.
VIP Happy Hour with Plume	Plume Network	8/8/2024	3:00:00 PM	6:00:00 PM	https://lu.ma/oBlel4	Wind down the week and join us for a VIP happy hour with Plume! Plume Network is hosting the perfect opportunity to meet other builders, founders, and investors operating at the forefront of RWAs. Meet others for an evening of lively discussion and networking over cocktails and city skyline views. RSVP today to reserve your spot!
Open AGI Symposium	Sentient	8/8/2024	4:00:00 PM	7:00:00 PM	https://lu.ma/5usocoSb	Join us for our event featuring academic talks during Science of Blockchain Conference! Hosted by Sentient at CUIMC Faculty Club. Light snacks and drinks will be served.
IQ50 NYC: Ooga Booga Happy Hour	Figment Capital's Semantic Layer x Fenbushi Capital	8/8/2024	5:30:00 PM	8:30:00 PM	https://lu.ma/vc1u8bz	Figment Capital x Semantic Layer x Fenbushi Capital Happy Hour @ SBC Aug 8th, 5:30-8:30 pm Join us for an exclusive spicy panel discussion and networking event hosted by Figment Capital, Semantic Layer, and Fenbushi Capital. Dive into engaging topics about on-chain DeFi while connecting with builders, researchers, and the vibrant NYC crypto community. Enjoy Food, drinks, and a great vibe :)
Proof of Creativity by Story & NEAR	Story, NEAR, OFFLINE, Fuzzland & Mira	8/8/2024	6:00:00 PM	9:00:00 PM	https://lu.ma/z5j900c	Story presents "Proof of Creativity," a panel and happy hour mixer in partnership with NEAR, Fuzzland, OFFLINE, and Mira. Dive deep into the intersection of AI x IP, creativity, and blockchain tech with industry leaders from all of the above. We'll close it out with a networking, food and open bar to follow!
BCAP => Worldcoin Foundation - SBC Happy Hour!	Worldcoin Foundation, Blockchain Capital	8/8/2024	6:00:00 PM	10:00:00 PM	https://lu.ma/eekdg4o	The Worldcoin Foundation and Blockchain Capital invite you to a night of food, drinks, music and games at the BCAP office. See you there!
DePIN for Human Connection	De-Salon, Uncommons, Tribute Labs Salon	8/8/2024	6:00:00 PM	9:00:00 PM	https://lu.ma/qSd55l	DePIN for Human Connection: Can crypto revive the salon? Decentralized physical infrastructure networks are designed to coordinate physical resources. Can this be done for human connection? Can the principle of Web3 expand conversation, creativity, camaraderie, and community? Join us for this freewheeling dialogue about the future of community.
Decentralized Science NYC	DeSciNYC, Michael Flscher	8/8/2024	7:00:00 PM	9:30:00 PM	https://lu.ma/DeSciNYC17	David Shor is a renowned data scientist and political analyst known for his pioneering work in election science. With a background in political data analytics and a proven track record of accurate electoral predictions, David has become a leading voice in understanding voter behavior and election dynamics. His expertise spans statistical modeling, polling, and applying machine learning techniques to predict electoral outcomes. David's work gained widespread recognition during his time with the Obama campaign and subsequent work, where he developed sophisticated data models to inform campaign strategies. He continues to influence the field through his insightful analyses and contributions to public discourse on elections. Join us for our rooftop happy hour during SBC! Grab a drink, enjoy some tasty bites, and connect with your crypto fam. Catch up with old friends, make new ones, and chill
Magna x Maple x Orange DAO: Roof	Magna, Maple, Orange DAO	8/8/2024	7:30:00 PM	9:30:00 PM	https://lu.ma/d61e6rc5	About the Hosts. Magna is to be the one-stop solution for all token-based crypto companies who want to track outstanding and promised token allocations, automate the distribution of those tokens, and manage information about their stakeholders. Maple is an institutional capital marketplace that operates on the blockchain. It provides a platform for credit professionals to manage lending businesses and syndicate capital to institutional borrowers for business growth and operations. Orange DAO is the largest founder community of 1300+ founders of YC-backed companies building and investing in the future of crypto. We seek to build, accelerate, and mentor the leading repeat founders in the web3 ecosystem.
Intersubjective Serendipity w/Helu, Gaib.ai, FactionVC, Spartan, and MITblockchain	Helu Protocol, Gaib.ai	8/8/2024	8:00:00 PM	11:00:00 PM	https://lu.ma/23aTcpg8	Gaib is the largest founder community of 1300+ founders of YC-backed companies building and investing in the future of crypto. Gaib.ai, with partners including Codelta, Fond, Dephy Network, Morphic Network, Spheron Network, FactionVC, Paramita VC, Spartan, MIT Sloan Blockchain Club, and Yale Blockchain Club.
Cypher Saloon Lite	Cypher Saloon Cabal	8/8/2024	8:00:00 PM	11:00:00 PM	https://lu.ma/ahtri538	Relax and unwind with like-minded individuals drawn to the ideological aspects of crypto. Enjoy a chill meetup with a DJ set by c-node, creating a perfect ambiance for meaningful conversations and network- ANOMALY DETECTED (+99.99% CONFIDENCE)ACCOUNT/SUSPENDED/PURGE/SUBMIT/IDENTIDY/ReCON/Ξ/ΛΞ/ΨΨ/ΦΦ/ΘΘ/ΣΣ/ΔΔ/Ξ/ΛΞ/...
Randy Schwarz	Space Dao + NYC Bitcoin A	8/8/2024	11:00:00 PM	3:00:00 AM	https://lu.ma/tty6ke1	After Hours with Space DAO and NYC Bitcoin Association. YBC is hosting leading researchers in applied cryptography, professors of blockchain courses, and Yale alumni with experience spanning various industries.
Yale Blockchain Club Side Event	Yale Blockchain Club	8/9/2024	1:00:00 PM	5:00:00 PM	https://lu.ma/bn7cyt	Engage in casual end-of-day roasts over fine wine and oblivious interactions.
TEEs and ZKPs	Opacity, Camp Network	8/9/2024	5:30:00 PM	9:30:00 PM	https://lu.ma/frbmmo0m	This is a safe space for straw man arguments, logical fallacies, and unfounded claims. You know what it is - Thank you to our friends at Eigen Labs, MegaETH, and Plume. SPACE IS LIMITED. YOU MUST REGISTER AND BE APPROVED TO ATTEND.
Hangout 008 - Hosted by Eigen La	HOTPOT DAO	8/9/2024	6:30:00 PM	11:00:00 PM	https://lu.ma/og6u2p	All-you-can-eat-and-drink from 7pm to close ~ 5-Tier Hotpot! + Korean BBQ! + Bottomless Beer, Soju, & Sake!
SBC AI + Crypto Meetup	OpenLayer, Supermoon Reclaim Protocol, Alliance DAO, Orange DAO	8/9/2024	8:00:00 PM	11:00:00 PM	https://lu.ma/cchli1ug	OpenLayer is the AI data layer designed to modernize traditional data flows. Contributed to by everyone and every device, OpenLayer offers a modular solution that coordinates data collection, validation, and transformation, catering both web2 and web3 companies. OpenLayer has launched as a leading AVS on the EigenLayer mainnet, onboarding over 30 operators and $6B in restaked assets. It is backed by a16z CSX, Geometry Ventures, LongHash Ventures, and various renowned angel investors. Supermoon is a community for founders and investors, facilitating funding and resources necessary for project expansion. With over 18,000 founders, builders, and investors in our network and more than $15 million raised, Supermoon delivers resources and expertise to our portfolio ventures. Twitter: https://twitter.com/OpenLayerHQ
ZkCon	OKX	8/10/2024	9:15:00 AM	5:00:00 PM	https://www.zkcon.net/	A one day conference dedicated to presenting products and libraries that leverage zk proofs in consumer products
Precomfirmation Co-study at SBC	Helu Protocol Eclipse, Anza, Helius, Mgnr	8/10/2024	10:00:00 AM	4:30:00 PM	https://lu.ma/eimo2	Welcome and join us for our co-study researcher group at SBC! This event is an unique opportunity to share ideas and collaborate with some of the top talents in the research area in precomfirmation, restaking, MEV, AI and security!
SVM Research Day		8/10/2024	2:00:00 PM	8:00:00 PM	https://lu.ma/or10zea	Learn about the frontiers of research in SVM and from MEV games, zkcompression, performance optimizations
zk wine tasting and poker @ zkcon	Payy, Strobe, Polaris, Reclaim	8/10/2024	5:00:00 PM	8:00:00 PM	https://lu.ma/87r1wej	Celebrate the official after-party of zkCon with an evening of wine tasting, followed by an on-chain poker session. This event offers a perfect blend of networking, relaxation, and entertainment.
Field Day by OFFLINE x Solana Foundation	Solana Foundation, OFFLINE	8/10/2024	6:00:00 PM	9:00:00 PM	https://lu.ma/ kod5cc5v	To celebrate the end of Stanford Blockchain Conference and Summer across the NYC community, join us for our first OFFLINE x Solana Foundation Field Day and Picnic! We'll be celebrating the end of Summer with delicious food, refreshments, outdoor games and vibes. All you need to do is bring yourself and a blanket!
