## Rules

1. Players must vote on their first vote every day or be penalised. Players have 3 votes per phase (unlike the usual 2).
2. Players must interact with 5 other players to be able to use their night roles.
3. Players can try to attack another player twice per day, with 20% chance of it working.
4. If a player has 5 attack marks on, they'll be removed from the game.

The image shows a standard sheet of graph paper. It consists of a grid of 20 columns and 30 rows. A vertical bar, colored light green, runs through the center of the grid, starting from the top and extending to the bottom. The bar is positioned between the 10th and 11th columns from the left. The rest of the grid is empty and unshaded.
