

Error Code: 2105-0602 (Ox4b469)				
Program: 0100000000001007				
Firmware: 13.1 .O (Atmosphère 1.4.1-master-32b590e7a)				
An error has occurred.				
Please press the POWER Button to restart the console normally, or a VOL button to reboot to a payload (or RCM, if none is present). If you are unable to restart the console, hold the POWER Button for 12 seconds to turn the console off.				
If the problem persists, refer to the Nintendo Support Website.
