<b>NOTES</b>	* budget estimated ** budget not available, no estimate possible † not released globally †† released globally but global BO figures not available														
	This calculation includes all movies that opened in wide release in North America between Dec 25 2014 and Dec 18 2015.														
	<b>How PROFIT SCORE was calculated:</b> films with budget over \$100M: global BO / 3x budget  films with budget under \$100M: global BO / 2.5x budget  for films with no global BO (because US release only) or global BO not available domestic BO / 2x budget  scores over 1 mean a film turned a profit in theatrical release  (more info on this calculation here: <a href="http://www.flickfilosopher.com/2016/04/where-are-the-women-crunching-the-numbers.html">http://www.flickfilosopher.com/2016/04/where-are-the-women-crunching-the-numbers.html</a> )
