Hi,

Thank you so much! I will be sure to keep these remaining assignments in mind as I head into the end of the semester. :)

Hi curry!

Thank you so much for this list! I've been trying to go through my classes and figure out what I owe and need to do, so this is perfect for me. I am on strict bed rest this week, so I plan on fully catching up!

My pregnancy has been super easy, up until the last three weeks unfortunately, so I've been a little sidetracked with real life. Now with my health in check, and an end in sight for having this baby, I am back in my student mode! I will be having my c-section April 29th and will be in bed typing away until then! I appreciate your repeated checking in on me. You are hands down the most helpful and involved professor I've had! Thank you for making this class a wonderful experience. I hope to catch up quickly, with great work, and make you proud!

Hi curry,

Great news, thank you. I appreciate you taking the time to send me this progress report. I will be sure to finish the remainder of this spring semester off strong. Thank you, curry.

Sincerely,

Thank you, curry! I appreciate the feedback. Definitely, going to check out the Writing Center! :)

I'll reach out if I have any questions.

Thank you for reaching out to me about this today. Your message encouraged me to sit and get it done. I realized I'm giving a class a week of attention at a time (by realized, I mean a loved one pointed it out to me lol) which is not working.

This list definitely makes things seem less intimidating.

Thank you again!
