**INSTRUCTIONS:**

Please write your name beside the time slot you're available to provide hospitality during the Election on Tuesday, November 5, 2024.

A table will be set up outside the CTK Main foyer to provide refreshments for people from our community as they come in to vote on Tuesday. There will be coffee, bottles of water, and some flyers with info about CtK.

Our goal as we provide hospitality is that those who enter our doors would feel they have the best voting place in Charlotte, that they'd feel valued, and that they would know that CtK cares.

Greet people with a bright smile as they walk through the doors and tell them they're welcome to help themselves to coffee and/or water. If they ask for more informations about CtK, feel free to provide them with that! :) )

Thank you for serving and for making CtK a light to our community!
