Category	General	Better	Best
Data sample			
Sample volum	≥ 1GB	≥ 10TB	≥ 50TB
Sample diversity	≥ 1 kind	≥ 3 kinds	≥ 5 kinds
Data value			
Sustainable production	≥ 6 months	≥ 1 year	≥ 2 years
Data type	general	industry data	scientific data
Different value	use value	commercial value	research value
Data Scarcity	>10 similar data source	5 - 10 similar data source	<5 similar data source
Data Management	data backup locally	data backup in cloud	have specific data classification and backup management plans
Data contribution			
Contribute to	specific group	most people	mankind
Web3-connection	none	general	specific
Client application			
Data Processing Application	none	beta	live
Customized Service	none	partial service	overall service
Scale of Additional Allocation			
Proportion of DataCap Requested	10%	20%	30%
More data samples will help gain more Datacap
