Shipping		
\$1 shipping to US. Arrives in envelope with cardboard.		
International is slightly more (\$2 to Canada & Germany so far)		
US buyers can upgrade to a box for \$5		
Prices are based on eBay sold / asking prices. Then I took off 15% and an additional \$5. (Except for the really cheap stuff)		
I'll do deals for bulk purchases (saves me trips to the post office).		
I have a 100% rating on eBay
