SEEDS	Contact Person: Sidarth Sharma Contact Number: 9138001392 E-mail: ssharma@seedsindia.org								The nos-for-profit organisation is reaching out to vulnerable communities in the states of Blan, Delhi, Karnataka, Karala, Mahrasabra, Odisha and Uttarakhand. In these regions, besides supporting the eldeny and children, SEEGS is taking some burden off frontline health workers by supplementing public health systems, supplying hygiene kits and supporting the establishment of Remporary quarantee facilities.

## **K-8 Learning Resources**

#### **Amplify**

To help educators and families, Amplify has pulled from their top-rated programs to create a series of remote learning experiences that are high-quality, easy to use at home, and totally free.

#### Flexible Virtual Learning from ASU

## ASU for You

ASU for You is an approach to education that supports learners with resources from a national research university — recognizing that to meet the needs of a rapidly changing, technology-driven world, people will need to access education and learning platforms throughout their lives.

#### Online Learning Platform to Teach K-12 Students Coding and Computer Science

#### Code.org

A nonprofit dedicated to expanding access to computer science in schools and increasing participation by women and underrepresented youth, Code.org provides the leading curriculum for K-12 computer science in the largest school districts in the United States.

#### Best Messaging Apps and Websites for Students, Teachers, and Parents

#### Common Sense Media

Apps and websites for texting, messaging, and communication that make it easier for teachers to send out assignments, reminders, and progress reports and communicate with parents and students.

#### Virtual Field Trips and Experiential LearningCommon Sense Media

Great games, apps, and websites that can bring places and experiences fostered by field trips to the classroom. While not an outright replacement, these field trip tools can offer inspiring and intriguing experiences for students.

#### Printable At-Home Packets and Online Math/Reading Content

### Curriculum Associates

Printable at-home activity packs from Curriculum Associates are designed to provide students with valuable self-directed exercises and practice during extended absences from school. Each pack is designed to reinforce key concepts for a given grade. Resources are available for Grades K-8.

# Free, Virtual Summer Experience for K-8 Kids

#### EdNavigator

Camp Kinda is a free virtual summer experience designed to keep kids in grades K-8 engaged, curious, and having fun—even if they're stuck at home. Sign up and your kids will get 3-4 hours' worth of activities each day, all connected to a weekly theme.

# Digital Lessons for Remote Learning

#### EverFi

Free interactive online lessons teaching real-world skills like financial education, social-emotional learning, STEM, career readiness, health & wellness, and more.

### Gilder Lehrman Online Summer History School

#### Gilder Lehrman Institute of American History

Online summer courses for middle and high school students, presented by Master Teachers. Lessons are anchored in primary source documents, many from the Gilder Lehrman Institute's collection of more than 70,000 American history artifacts.

## Google Resource Hub for Teaching at Home

#### Google

A temporary hub of information and tools to help teachers during the coronavirus (COVID-19) crisis.

## Bay-Area Focused Coronavirus Resources for Parents and Schools

#### Innovate Public Schools

Innovate is a people first organization and they are aiming for Bay Area families to have access to the resources and supplies needed to stay healthy and safe during these times.

#### School Closure Learning Guide during Coronavirus (COVID-19) Great Schools

Resources from Great Schools that will help your child learn from home if school has closed. Find out how to set up at-home learning and use the grade-based resources to fill in the gaps.

#### Using Khan Academy for Remote Learning During School Closures

#### Khan Academy

Khan Academy produces short videos paired with supplementary web-based practice exercises. The website also offers tools and materials for educators.

### The Coronavirus Explained & What You Should Do

### Kurzgesagt

With help from "Our World in Data", the online publication for research and data on the world's largest problems – and how to make progress solving them – Kurzgesagt provides an informational video on what actually happens when it infects a human and what should we all do during these uncertain times.

#### Guide: Student Rights During COVID-19

#### Mos

A practical, hands-on guide for high school seniors and college students aimed at providing advice, recommendations and templates to help adapt to these unprecedented times.

### Lectures and Conversations about the U.S. Constitution

#### National Constitution Center

Join NCC for live constitutional conversations for high school and college students, taught by President and CEO Jeffrey Rosen and other scholars, available through Zoom, and accessible on home computer, laptop, or phone.

## Free Virtual Industry Chats

#### Nepris

Until April 30, 2020, Nepris is providing free access to all virtual Industry Chats. These online Chats are available to help prepare students for the future of work. You can find and schedule topics addressing a wide range of curriculum and career clusters in addition to college and career readiness offerings.

### Get Smart about COVID-19 Misinformation

## News Literacy Project

Free resources for educators, parents, students and the general public, including downloadable charts and graphics for identifying misinformation.

## Live Online Classes for Ages 3-18

## <u>Outschool</u>

Connecting motivated learners, parents, and teachers together to create great learning experiences. Outschool offers unique online classes from hundreds of independent teachers, and classes meet via group video chat.

## At Home Learning

#### PBS SoCal

As part of the public media mission to ensure all kids, regardless of their capabilities, have access to continued free educational resources at home, PBS SoCal | KCET, in partnership with LAUSD and in collaboration with California PBS stations, are offering broadcast programming and accompanying digital resources that adhere to California's state curriculum to provide continued at-home learning.

## Learn At-Home Resources

#### Reimagining Migration

With many schools that are either closed, or shifting to online education. Reimaging Migration aims to help provide high quality resources related to Immigration for learning at home.

#### COVID-19 Student Loan Aid Tool

#### Savi

Borrowers who lose their job or have their hours cut may be eligible for a reduced monthly payment as low as \$0 per month through a Federal Income-Driven Repayment (IDR) Plan. Student Debt Crisis and Savi have developed a FREE tool to make that process much easier.

#### Online Learning Resources Focused on Literacy

## Springboard Collaborative

Resources for parents and teachers, including weekly coaching plans, daily lessons, e-books, and virtual professional development.

#### Tips for Supporting Distance Learning at Home

#### Stanford Graduate School of Education

Stanford GSE Associate Professor Jelena Obradović shares tips for caregivers of elementary school students as distance learning continues.

## Virtual Learning Insights

## Teach For All

Teach For All has learned a lot about what makes virtual learning & knowledge products and experiences impactful for their partner staff across the network. See a list of their insights using the provided link.

### Arts and Music-Focused Distance Learning Resources

## **TeachRock**

<u>TeachRock Distance Learning Packs center project-based learning, collaboration, authentic assessment strategies such as art.</u> podcasts, or videos, and include clear, concise instructions that empower non-educator family members to help a student succeed.

#### Informational Videos for At-Home Learning

#### <u>TEDEd</u>

TED-Ed is TED's youth and education initiative. TED-Ed's mission is to spark and celebrate the ideas of teachers and students around the world. Their website provides a list of videos and lessons for at-home learning.

## Resources for Learning at Home When Schools Close

## TNTP

TNTP has sourced a list of home learning resources and strategies to help with school and district closures across the U.S.

## High School Resources for Remote Learning During COVID-19

## XQ

Our friends at XQ compiled a list of high school resources on remote learning, focusing on how best to support students during COVID-19 school closures.

#### **Curated Online Learning Experiences**

#### Wide Open School

Wide Open School is a free collection of the best online learning experiences for kids curated by the editors at Common Sense.

### High Quality Math Learning

#### Zearn Math

Zearn Math is providing their K-5 math curriculum—including 400 hours of digital lessons with on-screen teachers and supportive remediation—for free during this time. Kids, teachers, parents, and caregivers can directly access their content, which includes paper-based materials that can be used without a device.

#### **Resources for Educators**

## The Role of AI in the COVID-19 Crisis

### AI4ALL

Al4ALL Open Learning is a free, project-based artificial intelligence education program, facilitated by community members, that gives students the tools to solve problems they care about using Al. Their newest module provides high school teachers with a free online lesson to engage students around Al's role in the current crisis.

## Free Access to Content for Closed SchoolsBrainPOP

Rigorous learning experiences made accessible and engaging for all. BrainPOP is a trusted learning resource supporting core and supplemental subjects, reaching millions of learners worldwide.

## COVID-19 Grief and Loss Resource Kit

### Brooklyn Laboratory High School

This resource kit was developed by educators at Brooklyn Laboratory High School who bravely turned their own heartbreaking experiences into a tool to help other schools navigate community loss.

#### Guidance for School Settings

## CDC

Resources for administrators, teachers, and families on how to approach extended school closures. The CDC also has child-friendly resources to help students understand what COVID-19 is and how students can help to keep themselves and their loved ones safe and healthy.

### Approaches to Instruction + Crowd-Sourced Resources

#### Charter School Growth Fund

CSGF is curating the best possible information to create resources around how to provide instruction in remote settings, in addition to collecting various resources from across their network.

#### Individualized Feedback for Teachers during COVID-19

#### **EdConnective**

Through 1-1 feedback with an online instructional coach trained in remote learning. EdConnective helps teachers improve their proficiency with distance learning. Their "Educator Genius Bar" allows teachers to get individualized answers to distance-learning related questions as well.

### Online Learning Platform and COVID-19 Learning ToolkitEdmodo

Distance learning toolkit from Edmodo, an educational technology company offering a communication, collaboration, and coaching platform to K-12 schools and teachers. The Edmodo network enables teachers to share content, distribute quizzes, assignments, and manage communication with students, colleagues, and parents.

#### Education All Learners during COVID-19

## Educating All Learners Alliance (EALA)

EALA is providing case studie and educator guides, as well as hosting webinars and "office hours" for educators to connect with experts, leaders and colleagues. Partners include InnovateEDU, CCSO, ISTE, The Education Trust and numerous organizations dedicated to students with disabilities.

#### Resources for Educators

Educators For Excellence (E4E)

Educators for Excellence is working to ensure that educators' voices are heard about how COVID-19 is hitting highest need communities the hardest.

### Distance Learning Resources for Educators of English Language Learners

#### Ellevation Education

Ellevation Distance Learning is a new, free K-12 resource that includes instructional activities in English and Spanish to help educators engage EL students online and offline, math activities to help ELs access grade-level content, and a video and podcast series to provide inspiration for how to support ELs during school closures.

## Support for Teachers During the COVID-19 OutbreakFacing History and Ourselves

During the rapidly evolving situation around the novel coronavirus (COVID-19), Facing History is supporting teachers in making sense of the situation, and making the best of whatever educational "class time" they have with students—whether in the classroom, in the midst of a school closure, or planning to begin teaching remotely.

#### Kick Start Action Civics

#### Generation Citizen

Bring your virtual classroom to life by learning how to teach Action Civics through this free online course.

#### Remote Citizenship Education Resources

#### High Resolves

High Resolves' digital "Composer" platform enables educators to centrally reach civics education providers and receive guidance/support in crafting individually tailored, high quality, remote learning experiences.

## Remote Learning Toolkit

## iCivics

Whether you're an educator or a parent, iCivics' free civics resources provide enrichment activities and lessons to keep learning going at home.

## KIPP Public Charter Schools - Resource Bank

## KIPP Public Charter Schools

This Box folder is a repository for the many resources, templates, and guidelines that KIPP schools and regions have created or sourced from other education leaders responding to COVID-19. It includes materials for communicating with families and staff, managing remote learning, and providing support to students.

#### How Teachers Can Navigate School Closures Due to the Coronavirus

## KQED

<u>Use these trusted resources to continue to provide meaningful learning experiences for students during school closures. This list will be regularly updated as new resources become available.</u>

#### Tools and Resources for School Closures

## <u>Nearpod</u>

<u>Free access to Nearpod, daily live webinars focused on home-based learning, and other tools and resources with up-to-date details around COVID-19.</u>

Online Curriculum (free access to content through remainder of the year)

#### Newsela

Newsela is an Instructional Content Platform that brings together engaging, accessible content with integrated assessments and insights to supercharge reading engagement and learning in every subject. Content on Newsela covers topics students care about, that connect to core curriculum, and are aligned to standards.

### Online Learning for Teachers and District Leaders

#### New Teacher Center

New Teacher Center is launching a series of communities of practice, webinars, and resources for the education community. They will use their organizational resources to invite experts from across the field to support district leaders and educators through collaborative communities to share the solutions that are working to meet the vast needs of students.

#### Free Education Resources from The New York TimesNew York Times Learning Network

The Learning Network site is dedicated to helping people teach and learn with Times content. They offer fresh classroom resources — from lesson plans and writing prompts to news quizzes, student contests and more — all based on articles and images published on NYTimes.com.

#### Resources for Educators and Students

## The National Network of State Teachers of the Year

The National Network of State Teachers of the Year (NNSTOY) is an organization of State Teachers of the Year, National Teachers of the Year, and Finalists for State Teacher of the Year who are deeply committed to ensuring that every child in America gets the high-quality education they deserve. At this crucial moment in public education, NNSTOY members mobilized to create this list of resources to assist teachers and students.

## Daily Webinar Series on Virtual Learning for Educators

#### Panorama Education

Panorama Education is providing a set of virtual workshops for educators around things like building connectedness and belonging for students while schools are closed and using Zoom to connect with students and families.

## Free K-12 Standards Aligned Videos and Interactive Lesson Plans

#### PBS Learning Media

Direct access to thousands of classroom-ready, curriculum-targeted digital resources. Resources are aligned to Common Core and national standards and include videos and interactives, as well as audio, documents, and in-depth lesson plans.

## COVID-19 Resource Hub

#### Teach For America

Resources to support students and communities during the coronavirus outbreak, including online teaching support, curriculum and school management resources, and more.

## School Closure Resource Hub

#### **Transcend**

Resources for leaders, teachers, and families to help combat the uncertainty many districts are currently facing provided by Transcend, a national nonprofit that works with communities to encourage innovation and achieve equity in educational settings.

## Math Resources at Home

#### **YouCubed**

YouCubed provides lesson plans, online courses, and other resources that help people develop positive relationships with mathematics and realize their potential as 21st-century mathematical thinkers.

### New COVID-19 Guidance for K-12 Schools

## California Department of Education

CDE guidance for potential school closures through the end of the year.

<u>District Responses to COVID-19 School Closures</u>

Center for Reinventing Public Education (CRPE)

This project attempts to provide transparency around school closures so decision-makers can find solutions as quickly as possible.

6 Steps Schools Can Take to Address Educational Equity if Required to Close Due to COVID-19

The Education Trust

Newly released steps from The Education Trust–New York that schools can take to promote instructional equity and preserve student well-being if schools need to close because of the coronavirus.

COVID-19: Higher Education Resource Center

Entangled Solutions

Get the latest on closures, emergency-planning resources, helpful tips, and resources from experts.

Resources for School Leaders Responding to COVID-19

ExcelinEd

According to the most recent data from Education Week, at least 32.5 million public school students are affected by school closures. The linked resources will help state and school leaders as they care for their students and communities.

Tracking State Legislation on the Coronavirus

FutureEd

This resource provides an up-to-date tracker on bills and resolutions introduced in response to COVID-19.

Managing Use of Ed Tech During Remote Learning

**LearnPlatform** 

## Resources to provide psychosocial support

InterAgency Standing Committee guidelines to protect and improve people's mental health and psychosocial well-being in the midst of an emergency

WHO mental health and psychosocial guidance during the COVID-19 outbreak

UNICEF guidance on how teachers should talk to children about COVID-19

UNICEF guidance on how parents and caregivers can talk children about COVID-19

### **Digital learning management systems**

<u>CenturyTech – Personal learning pathways with micro-lessons to address gaps in knowledge, challenge students and promote long-term memory retention.</u>

ClassDojo - Connects teachers with students and parents to build classroom communities.

Edmodo - Tools and resources to manage classrooms and engage students remotely, offering a variety of languages.

Edraak - Arabic language online education with resources for school learners and teachers.

EkStep – Open learning platform with a collection of learning resources to support literacy and numeracy.

Google Classroom - Helps classes connect remotely, communicate and stay-organized.

Moodle - Community-driven and globally-supported open learning platform.

Nafham – Arabic language online learning platform hosting educational video lessons that correspond with Egyptian and Syrian curricula.

Paper Airplanes – Matches individuals with personal tutors for 12-16 week sessions conducted via video conferencing platforms, available in English and Turkish.

Schoology - Tools to support instruction, learning, grading, collaboration and assessment,

Seesaw - Enables the creation of collaborative and sharable digital learning portfolios and learning resources.

Skooler - Tools to turn Microsoft Office software into an education platform.

### Systems built for use on basic mobile phones

Cell-Ed – Learner-centered, skills-based learning platform with offline options.

Eneza Education - Revision and learning materials for basic feature phones.

Funzi - Mobile learning service that supports teaching and training for large groups.

KaiOS – Software that gives smartphone capabilities to inexpensive mobile phones and helps open portals to learning opportunities.

<u>Ubongo – Uses entertainment, mass media, and the connectivity of mobile devices to deliver localized learning to African families at low cost and scale, available in Kiswahili and English.</u>

<u>Ustad Mobile – Access and share educational content offline.</u>

# Systems with strong offline functionality

Kolibri - Learning application to support universal education, available in more than 20 languages.

Rumie - Education tools and content to enable lifelong learning for underserved communities.

Ustad Mobile - Access and share educational content offline.

# **Massive Open Online Course (MOOC) Platforms**

Alison – Online courses from experts, available in English, French, Spanish, Italian and Portuguese

Canvas Network – Course catalogue accessible for free for teachers in order to support lifelong learning and professional development.

Coursera - Online courses taught by instructors from well-recognized universities and companies.

European Schoolnet Academy – Free online professional development courses for teachers in English, French, Italian and other European languages.

EdX – Online courses from leading educational institutions.

iCourse – Chinese and English language courses for university students.

Future Learn – Online courses to help learners study, build professional skills and connect with experts.

<u>Icourses – Chinese language courses for university students.</u>

TED-Ed Earth School – Online lessons about nature made available continuously during a 5-week period between Earth Day (April 22nd) and World Environment Day (June 5th).

Udemy - English, Spanish and Portuguese language courses on ICT skills and programming.

XuetangX - Online courses provided by a collection of universities on different subjects in Chinese and English.

#### Self-directed learning content

ABRA - Selection of 33 game-like activities in English and in French to promote reading comprehension and writing skills of early readers.

British Council – English language learning resources, including games, reading, writing and listening exercises.

Byju's – Learning application with large repositories of educational content tailored for different grades and learning levels.

Code It – Helps children learn basic programming concepts through online courses, live webinars and other kid-friendly material.

Available in English and German.

Code.org – Wide range of coding resources categorized by subject for K12 students offered for free by a non-profit.

Code Week - List of online resources to teach and learn computer coding, available in all EU languages.

Discovery Education – Free educational resources and lessons about viruses and outbreaks for different grade levels.

Duolingo - Application to support language learning. Supports numerous base and target languages.

Edraak - A variety of resources for K-12 education in Arabic, targeting students, parents and teachers.

Facebook Get Digital - Lesson plans, conversation starters, activities, videos and other resources for students to stay connected

Feed the Monster – Android application in multiple languages to help teach children the fundamentals of reading, available in 48 languages.

History of Africa – A nine-part BBC documentary series on the history of Africa based on UNESCO's General History of Africa book collection.

Geekie – Portuguese language web-based platform that provides personalized educational content using adaptive learning technology.

Khan Academy – Free online lessons and practice in math, sciences and humanities, as well as free tools for parents and teachers to track student progress. Available in 40+ languages, and aligned to national curriculum for over 10 countries.

KitKit School - Tablet-based learning suite with a comprehensive curriculum spanning early childhood through early primary levels.

<u>LabXchange – Curated and user-created digital learning content delivered on an online platform that enables educational and research experiences.</u>

<u>Madrasa – Resources and online lessons for STEM subjects in Arabic</u>

Mindspark – Adaptive online tutoring system that helps students practice and learn mathematics.

Mosoteach - Chinese language application hosting cloud classes.

<u>Music Crab – Mobile application accessible for music education.</u>

OneCourse - Child-focused application to deliver reading, writing and numeracy education.

Profuturo – Resources in different subject areas for students in English, Spanish, French and Portuguese.

Polyup – Learning content to build math and gaining computational thinking skills for students in primary and early secondary school.

Quizlet - Learning flashcards and games to support learning in multiple subjects, available in 15 languages.

SDG Academy Library - A searchable library of more than 1,200 educational videos on sustainable development and related topics.

Siyavula - Mathematics and physical sciences education aligned with South African curriculum.

Smart History – Art history site with resources created by historians and academic contributors.

<u>YouTube - Huge repository of educational videos and learning channels.</u>

# **Mobile reading applications**

African Storybook - Open access to picture storybooks in 189 African languages.

Biblioteca Digital del Instituto Latinoamericano de la Comunicación Educativa – Offers free access to Spanish language works and book collections for students and teaching staff in schools and universities

Global Digital Library – Digital storybooks and other reading materials easily accessible from mobile phones or computers. Available in 43 languages.

Interactive Learning Program – Mobile app in Arabic to advance reading, writing and numeracy skills created by the United Nations Relief and Works Agency.

Reads - Digital stories with illustrations in multiple languages.

Room to Read - Resources to develop the literacy skills of children and youth with specialized content to support girls.

StoryWeaver - Digital repository of multilingual stories for children.

Worldreader – Digital books and stories accessible from mobile devices and functionality to support reading instruction. Available in 52 languages.

## Collaboration platforms that support live-video communication

<u>Dingtalk – Communication platform that supports video conferencing, task and calendar management, attendance tracking and instant messaging.</u>

Lark – Collaboration suite of interconnected tools, including chat, calendar, creation and cloud storage, in Japanese, Korean, Italian and English

<u>Hangouts Meet – Video calls integrated with other Google's G-Suite tools.</u>

Teams - Chat, meet, call and collaboration features integrated with Microsoft Office software.

Skype - Video and audio calls with talk, chat and collaboration features.

WeChat Work – Messaging, content sharing and video/audio-conferencing tool with the possibility of including max. 300 participants, available in English and Chinese.

WhatsApp - Video and audio calls, messaging and content sharing mobile application.

Zoom – Cloud platform for video and audio conferencing, collaboration, chat and webinars.

## Tools for teachers to create of digital learning content

Thinglink – Tools to create interactive images, videos and other multimedia resources.

Buncee – Supports the creation and sharing visual representations of learning content, including media-rich lessons, reports, newsletters and presentations.

EdPuzzle - Video lesson creation software.

EduCaixa - Courses in Spanish language to help teachers develop the skills and competencies of learners in areas such as communication, entrepreneurship, STEM and big data.

Kaltura – Video management and creation tools with integration options for various learning management systems.

Nearpod - Software to create lessons with informative and interactive assessment activities.

Pear Deck – Facilitates the design of engaging instructional content with various integration features.

Squigl - Content creation platform that transforms speech or text into animated videos.

<u>Trello - A visual collaboration tool used by teachers and professors for easier coursework planning, faculty collaboration, and classroom organization.</u>

#### **External repositories of distance learning solutions**

Brookings – A catalogue of nearly 3,000 learning innovations. Not all of them are distance learning solutions, but many of them offer digital education content.

Common Sense Education – Tips and tools to support school closures and transitions to online and at-home learning.

Commonwealth of Learning – List of resources for policymakers, school and college administrators, teachers, parents and learners that will assist with student learning during the closure of educational institutions.

Education Nation – Nordic countries have opened up their learning solutions for the world for free, supporting teachers and learners during the school closures.

EdSurge – Community-driven list of edtech products, including many distance learning resources for students, teachers and schools, covering primary to post-secondary education levels.

European Commission Resources - A collection of online platforms for teachers and educators, available in 23 EU languages.

GDL Radio: a collection of radio and audio instruction resources.

Global Business Coalition for Education – List of e-learning platforms, information sharing platform and communication platforms.

Keep Learning Going – Extensive collection free tools, strategies, tips and best practices for teaching online from a coalition of USA-based education organizations. Includes descriptions of over 600+ digital learning solutions.

Koulu.me – A collection of apps and pedagogical solutions curated by Finnish edtech companies to facilitate distance for preprimary to upper secondary learners.

Organisation internationale de la Francophonie: Resources for primary and secondary school students and teachers for learning and teaching French.

Profuturo Resources: Spanish language resources in different subject areas for primary and secondary school students.

<u>UNEVOC Resources – Tools, guides, MOOCS and other resources collected by UNESCO's International Centre for Technical and Vocational Education and Training for continued learning in the area of TVET.</u>

UNHCR – An extensive list of over 600 distance learning solutions from the United Nations agency for refugees.

## ASSOCIATION OF PSYCHIATRIC SOCIAL WORK PROFESSIONALS

## ONLINE PSYCHOSOCIAL SUPPORT AND MENTAL HEALTH SERVICES DURING COVID 19 PANDEMIC

Dear All,
In view of COVID 19 Pandemic across the world, there are psychosocial and mental health concerns cropping up every where due to the
pandemic as well as the events such as Self Bolation/Jockdowns that are unfolding due to the pandemic. In this scenario, members of Association
of Psychiatric Social Work Professionals (APSPW) who are experienced mental health professionals has volunteered to provide online
psychosocial and mental health support for the meety persons unto the following areas:

- Self-byglenic practices
- Myths and Misconceptions
- Psychosocial Intervention (Fig during lockdown
- Information regarding the state level and local resources to help the public which has to be updated periodically by the respective
state representatives.

A series of challenges designed to increase your own happiness and build more productive habits. As preparation for these tasks, Professor Laurie Santos reveals misconceptions about happiness, ananying features of the mind that lead us to think the way we do, and the research that can help us change. You will ultimately be prepared to successfully incroprate a specific Wellness activity into your life.

A beautiful app for guided meditation has introduced a free module called Weathering the Storm' that includes meditation, sleep and movement exercises designed to guide us through experiences of anxiety and uncertainty

Wysa's AI chat, and tool packs for anxiety and isolation support will remain free for COVID-19. Please download the app on your App Store

A collection of personal, professional, governmental, and non-profit mental health websites

We want everyone to know that mental health care, just like physical health care, is actually normal. It's okay to not feel okay, you aren't alone. In fact, you'd be surprised how many people feel the way you feel."

A wide range of resources including the ABCs of Mental Health, enough material to equip you to understand Mental Health and how to take care of a loved one, help a friend or even yoursel!

Marbles : Lost & Found It's Ok To Talk - Resources Taking Care of Yourself

Samaritans List of Resources

Yours Sincerely, Dr. Sobhana H, President Dr. E. Aravind Raj, General Secretary

The below listed resources are those vetted by Teach For India. They either are links / provide access to partner services with organizations that already worked on Mental Health & Counselling with Teach For India Staff & Fellows in 2019 OR Initiatives by Teach For India Almmi. While most of them cater to adults; if you'd like onequire about your students, please do so. To understand more about each of the options, please reach out to your City HR:

	Important Notice* ≅					
	In the wake of the (COVID-19) outbreak & keeping the physical & #mentalhealth of citizens in check *TRIJOG - Know Your Mind* (India's trusted organization for mental health care					
	and wellness) extends a Nationwide *PRO - BONO initiative* and will be providing					
	Free Phone Counseling Support for a duration of 20 minutes per person from 11:00 a.m. to 2 p.m Monday to Saturday (Till March 31st 2020) *Note*: This is not a suicide helpline but					
	a social initiative that will be extended by qualified and trained Trijog psychologists					
	If you, or someone you care about, are feeling overwhelmed with emotions like sadness, low moods, anxiety, restlessness, or any other emotions arising from this constant battle of					
	staying safe.  Reach out to us as stated below: *Step 1* - WhatsApp Message on +91 98339 83406 with the					
	following details ➤ Your Name & Age ➤ Phone Number ➤ City ➤ Picture of your ID Proof (Aadhar Card/Passport/Driving Licona) ➤ How are you feeling right now? (Depressed, Stressed, Anxious, Sad, Restless, Low Mood)					
	<ul> <li>How are you feeling right now? (Depressed, Stressed, Anxious, Sad, Restless, Low Mood)</li> <li>(Note: Kindly whatsapp only between "11am - 8pm") "Step 2" - The client servicing team will give you the available slots and confirm the "time" (Note: Every session will be for 20 minutes)</li> </ul>					
	"Step 3" - You will receive a call from our trained psychologist at your scheduled time slot.					
	(Note: In the case you miss your call we will call you back immediately if no answer we call another client on the waitlist)					
	We are trying to cater to all distressed citizens of the nation during these difficult times, in the					
	case we cannot schedule an appointment for you we promise to provide every individual with a Mental Health Care Document providing adequate information & knowledge to pull through Stay Healthy, Stay Safe. We Are Listening

		iCALL is a telephone and email based			
		counselling service run by the Tata Institute of Social Sciences, Mumbai which offers			
		psychosocial support, information and			
		referral to people in emotional, psychological			
		distress across age groups, gender and sexual			
		identities, geographies and issues through a			
	iCall Resource Bank	team of trained and qualified counsellors			
	Pan India LGBTQ				
	Friendly Practitioners				
		Launched by the Indian Association of Clinical			
		Psychologists(IACP). It has got contact details (both phone number and email ID) of Clinical			
		Psychologists across India.			
		Pros: Covers almost all the locations			
		List of Clinical Psychologist (not			
		counsellors)- The mental health concerns			
		expected to stem from isolation can range			
		from neurotic to psychotic, including alcohol			
		dependence syndrome, and hence would			
	Indian Association of Clinical Psychologists	recommend consulting a clinical psychologist rather than a counsellor
