All round 1 matches need to be completed on or before the date listed for Group day #3 for that age group and division

If there is a Rain out on any Norcal hosted weekend, Norcal state cup staff will attempt to schedule matches on the following weekend

Cell fill colors are Norcal Hosted matches and will be played at the Site to be determined

Placeholder schedule for the 2nd round will be posted first part of October to assist teams on where they will be playing for the U9-U10 age group. This will assist teams on where they play but will not have field # or opponent

2nd round, ALL TEAM ADVANCE TO THE 2ND ROUND REGARDLESS OF THE OUTCOME OF THE 1ST ROUND. In the U9-U10 age group, each division will be divided into an upper and lower division based on the number of teams in the division. For more information, you can go to "creating divisions for the 2nd round" on the manager resource page. In general of the 2nd round re-ranking, if teams finish 1st or 2nd in their division, they would move into the upper division. If teams finished 4th, they will move into the lower division. It is possible for some 3rd place teams to move into the upper division.

For the 2nd round, ALL teams will play 2 games on Saturday and 1 game on Sunday to complete the 2nd round. Teams will then be re-ranked and Play a quarter final match on Sunday Afternoon.

[All teams move to Round 2](#)      [Help document on assist teams on determining 2nd round divisions](#)

For the 2nd round, the upper division will have Cup associated in the name while the lower division will just have the division and numbers. This would not apply to divisions such as Gold/silver or possibly divisions that will be divided into 3 groups

The 2nd round division names are the Cup titles that the teams are playing for in those divisions. State Cup, Premier Cup, Premier 2, 3. These teams are playing for 4 different cup championships. The 2nd round divisions are the upper and lower division names as it relates to the 1st round division. Once we get to quarterfinals, the top 8 teams, in this group, will be playing for the State Cup, the next group of 8 will play for the Premier Cup and so on. For the lower division (Premier 3, 4, 5), the top 8 teams in this division will play for the Premier 3 cup, next group will play for the Premier 4 and so on. This system is true for all 2nd round divisions

**ALL teams will move to the quarter final match on Sunday afternoon for U9-U10 Age Group. If you have questions, please asked the site administrator on your time for the quarter final match**

[U9-U10 teams: The quarter final match will begin the knock out round \(Round 3\). All teams will play a quarter final match. For information on how Groups are created for the 3rd round , please click here...](#)

Teams that win the quarter final match will move on to the semifinal match

If 2 game times are listed below, teams will only play one of the times listed. For teams with 2 times, they will not know the actual times until the schedule is posted in GotSport
