Residents are cod, faculty are extremely approachable and friendly, loss of "perks" (\$1000month housing sispend, 2 free sets of loopes), Zucherberg General is the most beautiful county housing.						
ucar	3	weekend at whichever hospitel you are at. Most sublis get an interview offer but it is not	5 minute presentation by sub-lis at end of rotation	Loved my interview here. Residents are cool, faculty are extremely approachable and friendly last of "perce" (\$1000 more housing appead, 2 fee lets of laught, "Qualitating Generals the most beautiful mounty houping you will see on the interview trail with associated section of authority and crasty cases prosident wave heliting as short people coming in with machines stuck in their faces), and you can't beet San Francisco.						
		Fun Sub-1, rotated with one other student and had one MSG every 2 weeks. Faculty are great to work with and do a tot of seaching. I feel like I was able to work with all of them enough to form good connections and they will entember me when it comes free to rare. The program is in a	-ridx where they rotated but this program seemed like it was failing agant from the inside. Every place I rotated after said sometring along the lines of rich, how was it? They're having a lot of internal issues. ** One attention was recovering.							
unc	2	water un must the moment with it routly leaving Jan 2019 and 2 more being trind in the leaf year so they will have 6 total. I had 2 shoully willing to write a LOR for me and got it from the program detector. THE ROTATION IS YOUR INTERVIEW unless you want to come back for some reason on interview day. Loss of reconstructive supply, accusate commission could be the Navaleum may	were burning down without knowing of my rotation there, in the end, I rotated for a month, don't send them my application. Everywhere size I rotated was wonderful. +1, chair was passive	Agree with this 100%. Is it really that bad? Anyone have a different experience?						
		quantization of not recolated in the continue. While the continue of the continue and the continue of the con	egy-make, other attendings taked about how the residents have attract of her." The residents were mixed, some were great. +1 the best thing about this program is Alex Fanning +11 also did not send them my application after previous. (Not. view. *	and an analysis of the same of						
		nv ov mru yakuni Si-666 Alfoulid Chilipili Hilli	ever tuly deliked. Hand transplant, competency-based by training, basically "mandatory" research year, rice/well-known faculty, famili-ske.							
unec		Anything? < it's good. Any other details?	ever fully delawa. Mand stangulart, competency-based for strining, basically "mandatory" research year, rice/well-known faculty, family-law feel among residents, have stained an impressive number of current program challed feeton across the country, Pittsburgh is a much cooler oby than articipated.	They haven't done a hand transplant in 6 years since the last chair left.						
				www.w.e only mmensure burn experiences you will get during a subtifibure ICU is not by plastic surgery. The expectations of residents and high and the treathing spile cheer, so the previous comment indicates, but it is not malignant and the positive results of that cubuse are saloable. There is a						
			Total resident autonomy at LAC+1 Not however viscore	desire for excellence that permates the program and the residents are some of the most skilled confident surgeons I have come across because of it. Resident autonomy is incredible, especially at LAC+USC, Volume is high in						
unc	3	4 week rotation through burn ICU (LA County), Kleck, LA County, and CHLA	common amounting ATLAC+LTIIC trapital, direct teaching tiple which the faculty is open about and which the residents seem to appreciate, that each residents are still openly acclast with attendings and doesn't feel "malignant." Strong global	amost every area and they have the fellowinips to show for it. IA County gets most of the tearns in the area (1) mile people. Sold CF exposure starting at PGV-3. The program's commitment to goods surgery in really alread of its time, with an opposal 2-veral funded between in newtwentin with. **						
			presence and option to take 1-2 year fellowship abload doing international surgery. Lots of driving, but that's LA.	that also results in a degree (6.5, or M.P.H.) through USC. This program is one of the few where the philosophy of senice to others in truly embraced by the leadership and enacted, tanglely, in the program. Residence are also						
				One of the only memories have requirements you set girl harding a said ghour try, and the said property of the said property.						
	4	Why bury, ayread out, too of residents. Tampa is great (~1 hour to Disneyworth right on the guil- prety beaches). Will have to spend a good ancount of firms during to different occidions. Residents (Instity) and lowly out the whole. Sum center, PRT2 you to turn CHT or a copie into this. Coole this of everything.	Residents do a LOT of driving w 1+ hr commisse with r	or geography.						
uar	1	thendy and rowdy on the whole. Burn center, PGY2 nurs burn CR for a couple months. Good mix of everything. Program is very stong in craniclacial, micro and transgender is crowing, solid hand as well likes a	minimal craniofacial exposure

Hello there, welcome to the sub10 crew support group happy, positive thoughts, jazz hands chat room			
There may be several dozens of us but I hope we can support each other through this excruciating wait. We got this	s, comrades!! Stay strong!		
truth			
Any idea when the cancelled interview invites will start being redistributed to us?			
Probably when they have a good chunk at once			
Im at 8, and an average applicant. But was at an interview with a cohort of people interviewing at wayyy better place	es than me and they had none	at my others. This proce	ess is random af
I was expected more movement honestly			
They are comingslowly			
Why do people hold onto interviews when they know they can not go?			
I met an ortho applicant from my school who was holding onto 10, smdh >.>			
^As in 10 s/he knew they couldn't go on for sure or 10 they could make if other dates opened up and were waiting f	for swaps?		
^ No-one is getting 10 swaps lol			
Movement seems less than anticipated.			
second that			
I've gotten 2 so far (trickles)			
Deep breaths, it's gonna be okay
