@Bryan_Vines	This needs to get shown off on #HotMakes. Great job, Thierry! https://t.co/GyKwgyLNL9	https://t.co/GyKwgyLNL9	July 03, 2020 at 09:27AM
@thezolon	@JeffdeBoer9 @juancgarcia Ok, those a neat and very interesting looking. Definitely a #hotmakes	https://t.co/GyKwgyLNL9	July 03, 2020 at 09:27AM
@thezolon	@GeekyFayeArt We all have those days.. We may still need some background for the hotness to be on #hotmakes ;)	https://t.co/GyKwgyLNL9	July 03, 2020 at 09:27AM

@thezolon	@travman13 @DB3D_Dan @tripodsgarage Well, I think an exploding head warkocki counts as a hotmess for a #hotmakes			
@thezolon	hope I spelled that right this time.	http://twitter.com/thezolon/status/1279127667145662466	July 03, 2020 at 01:59PM

HotMakes Episode 33 - Bootsk CyberDeck Master

@chris_frieze	RT @DesignFlaw06: My 7 year old created his own Thanksgiving decor, Mr. Turkey. He modeled it in Tinkercad by himself and I think it turned out great! I promised I would submit it to #PrusaLive and #Hotmakes for them to see.	http://twitter.com/chris_frieze/status/1330566430262235138	November 22, 2020 at 11:38AM
@BFLangdon	Very exciting. Probably the most interesting step in 3d printing resins in a while. Need to get some of this and try it out. #hotmakes @TheEdgeofTeck https://t.co/D5vala33uS	http://twitter.com/BFLangdon/status/1330570236857237504	November 22, 2020 at 11:53AM

HotMakes Episode 34 - Makes N Breaks (Noob)			
@amoose136	I bought some machinist squares and they didn't have a case so my #prusalive #hotmakes of the week is this box that prints assembled with a hinge. It needs a little larger finger grasp indents but it's good enough on the first try that I probably won't do another print. https://t.co/JwAYYgyQrM	http://twitter.com/amoose136/status/1331427714239254529	November 24, 2020 at 08:41PM
