

This online assessment sheet is for evaluating your class as a whole rather than individual students.							
It will help you monitor the quality of parameters offered by your learners'.							
Please note that several teachers are using this sheet simultaneously for piloting purposes.							
Before you start filling it in, please do the following:							
1. Put the cursor at the sheet called "Template", right click on it and choose "duplicate" from the menu							
2. Rename the new sheet that will appear (right click and choose "rename" from the menu) and choose your surname as the new title							
3. Ensure that you fill in the sheet at least three times during the semester							
If you have questions, send us an email (info@ta-group.eu)
