1/2022 22:42:1	1 Shelby Glass	17326661142	2 2	2 Individual	The Braille Trail at the 311 North Avenue Poetry Walk	311 North Avenue a Braille Trail by adding a guide rope and a bright Inardmark to better locate the tall from North Avenue. This location is perfect for this project because it is of of the bus line. He terrane is installately even, and the CR codes are already or the spin. By adding these additional accessibility present to the project. CRs who are blind visually impained will before the able to access this stall independently. By deling this, we set a precodent for includingly in nature and the acts in Unit by the one makin the souther once for the trail. I will reach out the project creations and the civil will be the one makin the souther once for the trail. I will reach out the project creations and the civil	without the need to rely on other people. For example, a person could take the bus to the trail, locate the trail by the landmark sign, follow the rope guide throughout the trail, and listen to the poetry from the QR codes along the way. By considering all the stees it takes to create the full excernence.		March. Connect with only about adding a landmark sign to the trail start by North Anenton. April: Buy rope and stakes high- troits landmark sign and install guide rice.	\$500	https://drive.google.com/open/ dis-tiosSintMer-19/DistoNsZub- USEAntXx.	Yes
