I have come to rely on the Meetup pages for the two  Not sure that I'm interested in "organizing my local  More information about how I can help.  Kind of a search tool to find people by input terms lik  Connections to others interested. Even if just a Link.  Better matching of people, their interests and needs.  A list of speakers who have recently spoken at other  Sending topics and speakers our way would be gree  What if there were ahackharkers.com for to  i.e. http://sanframisco.hackharkers.com for io  i.e. http://sanframisco.hackharkers.com for io  i.e. http://sanframisco.hacksharkers.com  Something that would be easy to update via Google  It would be good to have tools that different groups in  Hemmin, I'm an odd use case here. I've just moved it:  More of an attendee than an organizer. But I suppor  Joudo like to altered local groups to learn more about  Job board? Mentoring connections?	Chuck.  Yes. Promotion and event management is suppose. In avent attended a Hackarli-I auguste. It was a hardware sharing your you fill we could have a hardware sharing your you fill we could have a hardware sharing you you like a look and and as on a suit a late own the for tech pubs and local news. Not than I can think of.  yes, more coordination across chapters who the promotion of the pubs and local news. Not than I can think of.  Yes, more coordination across chapters who the promotion of the promotion of the pubs and local news. Not than I can think of.  Yes, more than the promotion of th	San Francisco Portion Portion San Francisco Portion Oregon DC, SF Bay Area Toconto	ers, etc that'd be a great ma	ignet				ect.com/
