The higher seed will be the home team in the championship game. The consolation games will determine home team using a coin flip.

**GAME TIE BREAKER** - In the event of a tie game at the end of 7 innings, the game will continue with extra innings if time allows. Each team will start their offensive half of the inning with a runner on second base. This person will be the player that made the last out of the previous inning. Each inning will start with 1 out and all batters will start their at bat with a 1 ball and 1 strike count. The team to score the most runs after the inning is completed will be declared the winner. If the score is still tied after an extra inning the teams will repeat the above procedure until a winner is declared or the time limit is reached.

Rules:

Ranking for the Tournament Bracket will be determined by "Winning Percentage."

o Winning percentage is calculated by adding a team's wins to half its ties and dividing by the total number of games played. (i.e. A tie counts as 0.5)  

$$\text{winning\%} = \frac{\text{wins} + (\text{ties} \times 0.5)}{\text{\# games played}}$$

Tie Breakers:

In the event of a tie in regular season play to determine seeding:

H2H (only when 2 teams involved)

Fewest Runs Allowed against teams tied w/

Most Runs Scored against teams tied w/

If the #1 seed loses to the winner of the #4 vs #5 seed, then the Consolation Champion shall play the #1 seed in an extra game. To be played on Tuesday, September 1st at 6pm on the Eola Center - North field. This is an if game so that all teams play at least two games in the playoffs.

**GAME TIE BREAKER** o In the event of a tie game at the end of 7 innings, the game will continue with extra innings. o Each team will start their offensive half of the inning with a runner on second base. This person will be the player that made the last out of the previous inning. o Each inning will start with 1 out and all batters will start their at bat with a 1 ball and 1 strike count. o The team to score the most runs after the inning is completed will be declared the winner. o If the score is still tied after an extra inning the teams will repeat the above procedure until a winner is declared or the time limit is reached.

**Rules:**

- Ranking for the Tournament Bracket will be determined by "Winning Percentage."
- Winning percentage is calculated by adding a team's wins to half its ties and dividing by the total number of games played. (i.e. A tie counts as 0.5 winning%) = (wins + (ties\*2)) ÷ (# games played)

**Tie Breakers:**

In the event of a tie, whether in regular or post season play, and seeds and advancement will be determined by the following:

- H2H (only when 2 teams involved)
- Fewest Runs Allowed against teams tied w/
- Most Runs Scored against teams tied w/
- \*\* Post Season Note: If two teams are still tied based on fewest/most runs tiebreaker after pool play, H2H result will determine who advances to Sunday tournament

Rules:

Ranking for the Tournament Bracket will be determined by "Winning Percentage." In event of tie, Head-to-Head" record will determine higher seeding.

Winning Percentage

- o Winning percentage is calculated by adding a team's wins to half its ties and dividing by the total number of games played. (i.e. A tie count = winning% = [wins + (ties\*2)] ÷ [# games played])

Each team will play a game against every other team in their pool. After pool play, the 1st place team from Pool A will play the 2nd place team from Pool B. The 1st place team from Pool B will play the 2nd place team from Pool A. During Pool play, the higher seeded team is the home team and occupy the third base dugout. In the semi final games, 1A and 1B will be the home teams. The Championship game will be decided by a coin flip.
