| You will get a 100% Xmas Bundle whitelabel license...                                                                                                                                                                                              |
| We will set up your own software on your domain                                                                                                                                                                                                    |
| We will set up your logo...                                                                                                                                                                                                                        |
| We will host your software on your server...                                                                                                                                                                                                       |
| We will do all the hard work for you                                                                                                                                                                                                               |
| So you'll get your own version of the Xmas Bundle software, but with your own name, your own branding, AND your own domain.                                                                                                                        |
| You'll be able to create accounts, sell the software to others, giveaway accounts, and even launch your own rebranded version of the software on JvZoo, WarriorPlus or anywhere you want. Not only that, we will even HOST the software for you... |
| We will update it for you, We will handle all the support and we will even buy you a domain and set everything up for you too!...                                                                                                                  |
| All you'll need to do is choose the name you want for your new software and we will take care of the rest.                                                                                                                                         |
| We will even design an all-new logo for you, and help you out with setting up your sales pages and videos for your new rebranded software.                                                                                                         |
| You keep 100% of the profits generated by selling your ChatGPT-powered app, content, graphics, marketing materials, etc... No need to spend countless months getting it all set up – Everything is locked and ready to go...                       |
| This is something that people NEED and want..                                                                                                                                                                                                      |
| These types of websites sell for THOUSANDS of dollars on website marketplaces, and you'll be able to crank these out with a few clicks of your mouse                                                                                               |
| You can very easily make thousands of dollars per month with the Xmas Bundle Whitelabel Rights License                                                                                                                                             |
| We are going to mentor you as well!                                                                                                                                                                                                                |
| We will also provide you with “over the shoulder” newbie-friendly training on how to kickstart your company.                                                                                                                                       |
| You will learn how to drive paid traffic.                                                                                                                                                                                                          |
| You will learn how to drive free traffic.                                                                                                                                                                                                          |
| You will learn how to recruit affiliates to promote your software.                                                                                                                                                                                 |
| AND You will learn how to list and launch your software product on WarriorPlus                                                                                                                                                                     |
| PLUS You will get complete training and tutorials to kick start a profitable software company launch your product on WarriorPlus & JVZOO and recruit affiliates to promote it. Your other option?                                                  |
| Go back to scratch, start with nothing, no knowledge or product, and go through the years and years of poor results that we had.                                                                                                                   |
| But remember. There is no need for you to go through the pain we did.                                                                                                                                                                              |
| We are literally offering to set up your business for you and get you going as a software product creator.                                                                                                                                         |
| <b>Payment Processing Built-In</b>                                                                                                                                                                                                                 |
| You and your clients will be able to process payments using the built-in support for payment processing with PayPal.                                                                                                                               |
| <b>Step-By-Step Training Included</b>                                                                                                                                                                                                              |
| We'll show you exactly how to start making sales, and the exact steps to follow to make as much money as possible. You'll have everything you need, for your very own rebranded software business product that you can sell as your own online.    |
| <b>Note:</b>                                                                                                                                                                                                                                       |
| Here are some Upgrade links for your reference. You must buy the Front-End (FE) firstly and then you could buy any OTOs if you love.                                                                                                               |

|                                                                                                                                                                                                                                                                                                                 |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>If you buy OTOs alone, you will receive NOTHING and it takes your time to request for refund. Please remember FE is a must-have package to at least make sure the product is working well.</b>                                                                                                               |
| FREQUENTLY ASKED QUESTIONS                                                                                                                                                                                                                                                                                      |
| <b>Is this deal literally for real?</b> Of course, you're getting 8 stunning, hand-picked business apps being offered for the price of less than one but only during the launch period.                                                                                                                         |
| <b>Will I be forced to pay monthly?</b> Of course not, we've already clarified at the top that we charge only one time & allow our customers to make the best use of this technology to foster long-term business growth.                                                                                       |
| <b>Do I need experience or tech/design skills to get started?</b> Not at all. This suite was created keeping newbies in mind. So, it's 100% newbie-friendly & requires no prior design or tech skills.                                                                                                          |
| <b>Is there a money-back guarantee?</b> Absolutely yes. We've already mentioned on the page that you're getting a 30-day no-questions money-back guarantee. Be rest assured, your investment is in safe hands.                                                                                                  |
| <b>Do I get any step-by-step video training with my purchase?</b> YEAH- <b>Xmas Bundle</b> deal comes with step-by-step video training that makes it simple, easy & guide you through the entire process with no turbulence.                                                                                    |
| CONCLUSION                                                                                                                                                                                                                                                                                                      |
| I hope that my Xmas Bundle OTO can help you to make up your mind more accurately and quickly. If you have any questions leave a comment on the blog post to let me know. Thank you for reading. Good luck to you!                                                                                               |
| VIP 5,000 BONUSES FROM WILLIAM REVIEW                                                                                                                                                                                                                                                                           |
