

## Adventure or Bust Expense List

Thank you for visiting our website! This is an on-going list of all our expenses. We began our bus conversion in February 2016 and moved into it in March 2017. We're continuously adding features to our bus, so this expense sheet will always be growing (Last update: 41/21/8). Please note: the current total shown below DOES NOT include sales tax, which is: 0.7% where we live. That's calculated on a separate line.
