NOTES (Español abajo)

Private Attorneys: The Asylum Seeker Advocacy Project (ASAP) gathered the names of private immigration attorneys by contacting immigration nonprofits and asking for their lists of trusted local attorneys. ASAP has not personally vetted these referrals. Please reach out to these firms or attorneys directly for details on their services.

Non-Profits: To search immigration nonprofits by location and type of legal assistance, please visit [Immigration Advocates Network](#).

Pro Se Help Desks: For a list of organizations that provide limited scope legal assistance to asylum seekers without lawyers in immigration court, please visit [this webpage](#).

Help Improve this Resource: We know this list is incomplete! Please email us at info@asylumadvocacy.org with other recommendations.

AVISOS (English above)

Abogados privados: El Proyecto de Apoyo para Solicitantes de Asilo (ASAP por sus siglas en inglés) juntó los nombres de abogados privados contactando organizaciones de inmigración sin fines de lucro y solicitando sus listas de abogados locales de confianza. ASAP no ha investigado personalmente estas referencias. Por favor comuníquese con los abogados para obtener detalles sobre sus servicios.

Organizaciones sin fines de lucro: Para buscar organizaciones de inmigración sin fines de lucro por su ubicación o por el tipo de servicios, visite la organización [Immigration Advocates Network](#).

Asistencia limitada: Para encontrar una lista de organizaciones que brindan asistencia legal limitada a los individuos que no tienen abogados en la corte de inmigración, visite [esta página web](#).

Ayúdenos a mejorar este recurso: Sabemos que esta lista no es completa. Envíenos un correo electrónico a info@asylumadvocacy.org con otras recomendaciones.
