NUR 425G Population Focused Nursing Care	3			Contemporary Christian Issues (P) course	3
Science, Technology, and Society (K) course	3				
	14		0		12
Total Credits 123-126					

\*1. Students must complete through the second semester of a first year language course or equivalent. (Check the catalog for details of this option.)

\*2. Prerequisite course for entry into the Nursing program.

\*3. A statistics course must be included within the total program. Students must take either [PSY 230M](#) or [HAS 250M](#) to fulfill the Math-M requirement.

\*4. A course in ethical decision making must be included within the total program. Recommended: [PHI 110](#) Contemporary Moral Issues. Approved alternates: [ENS 335K](#) and [PHI 335K](#) Environmental Ethics, [GES 390K](#) Decision-Making and Medical Technology, [GES 420P](#) Bioethics, and [GES 458PZ](#) Contemporary Wellbeing and Traditional Therapies in Taiwan.

\*5. One general education biblical studies course is required as a prerequisite course for entry into the Nursing Program. Choices include [BIB 101](#) Introduction to the Bible, [THE 201](#) Christian Theology, or Interpreting Biblical Themes (J) course.

This program assumes a student will use [CHE 101/CHE 101D](#), [NUR 417Z](#), and [NUR 425G](#) to meet the general education Laboratory Science, Cross Cultural Experience, and Comparative Systems (G) course requirements.

Most financial aid packages stipulate 12 credits/semester; Minnesota state grants are reduced when credit load falls below 15 credits/semester. (Interim credits may be split between fall and spring for state grant purposes only.)
