

Momentum Dance Academy's Contemporary Program

Name	Age	Day	Class Time	Cost per Month	Instructor	Classes run Sept 8th - June 18th	
Contemporary						Tuition is a monthly rate based on the number of hours of dance taken each week. To calculate the cost of tuition per month, add together the total number of hours of class time per student, then use the rate guide below to find the tuition total. Classes marked with an * are not included in the multi-class discount. There is also an annual registration fee of \$25 per student.
