PACK TEMPLATE

Don't edit this master file!
Also, don't request edit access of this master file!

If you wish to write a pack for the game listed above, then you should make a **copy** of this pack template file. To do this, follow the steps to the side:

General Notes:

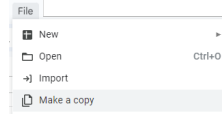

None.

Last Updated: 24th September 2023

If you are working in **Google Sheets** (the preferred option):

1. Go to **File** > **Make a copy**.
2. Rename the new file to something sensible.
3. Change the folder to copy into to one that you have write access to.
4. Start writing your pack.
5. When it comes to sharing your pack, go to the [Question Submission Form](#) and when selecting a file, you should be able to select your file from your Google Drive directly.

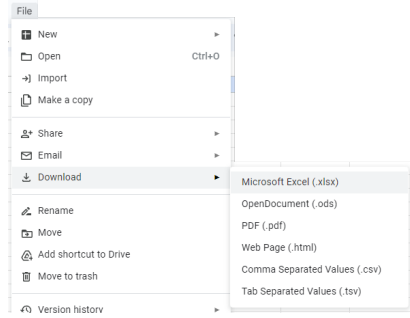

Note: The file shared to the proofers will be a **copy** of the sheet and not the sheet itself.

If you are working in **Excel** or other offline spreadsheet software:

1. Go to **File** > **Download** > **Microsoft Excel (.xlsx)**. (or **Open Document (.ods)** if using LibreCalc or other open-source software)
2. Rename the downloaded file to something sensible.
3. Start writing your pack.
4. When it comes to sharing your pack, go to the [Question Submission Form](#) and when selecting a file, you should be able to select your file from your local machine to share.

Note: The file shared to the proofers will be a **copy** of the sheet and not the sheet itself.

BREAKAWAY - QUESTION PACK TEMPLATE

Each pack, a total of 900 questions should be written.

The first 22 questions are split into 6 sets of 4 questions each. Each set is listed by a category. The category names should be included, but should they trick players. These questions should follow a single question & answer format. Provide alternative accepted answers in the column marked Alternative Answers.

The 4 Life questions are written in the style of a quiz bowl toss-up question though you do not need to add "For a side," on the final line, and always follow the opening prompt on the show of "Who, what, or where, is this?"

The normal one should be break up the written question for preliminary purposes on the show.

The final 24 questions are on General Knowledge and should be written like the first 22 questions.
