

pony tiers						
10	Brony	You did something pony related. Congrats!				
50	Pony Pro	You did a bunch of pony related things! You might grow hooves now!			<i>DIRECTIONS</i>	
200	Trixie's Stage Hand	It might not be the most glamorous of jobs, but you do get to work with one of the most glamorous of ponies (as she has made clear countless times since you arrived)			<i>Copy this column and then change</i>	
500	Defender of the Derp	It's a full time job with falling pianos, buildings collapsing, and the occasional pegasus shaped missile heading directly for your head, but at least the muffins are good.			<i><NEW USER> to your preferred username.</i>	
1000	Lyra's Anthropology Project	Hands? Check! Feet? Check! Patchy mane? Check! The realization that every in Equestria runs around naked? Awkwaaard.			<i>To add points, type in the amount of</i>	
1500	Twilight Sparkle's Fanfiction Editor	While complimenting her excellent use of the scientific method in deducing the perfect book to read together, Rippling Pages slowly caressed Moonlight Twinkie's cutie mark...			<i>points you earned per achievement,</i>	
2000	Cadenza's Love Potion Taste Test	If a cute pony falls in love with a hairless monkey thing, you know the potion is working!			<i>and the algorithm will</i>	
2500	Celestia's Hoof Massage Therapist	It was the only job available, but at least you get to hang with Royalty and take part in all the luxuries that go along with that all week. Turns out Celestia really likes hoof massages.			<i>calculate your total at the bottom.</i>	
3000	Chrysalis's Personal	Now if only you could convince her to do it when she wasn't in her bug form...			<i>Change your Tier depending</i>	
3500	Luna's Modernization Instructor	As Luna's personal teacher in all things current times, it is your job to spend every waking minute with the princess as she goes about her nightly duties. How far you take that is up to you~			<i>on the points that you have using the chart to the left.</i>	
4000	Alicorn Princess	You sprouted wings, you grew a horn, you were given a castle, you have a miniature figure of yourself for little girls to gobble up, and you may or may not have changed genders. The pinnacle of ponyness has been reached.			<i>Delete this text once you've copied the column over.</i>	
45000	???	???
