Donut Disaster	None			
Where's Mr. Waggles?	Can only really cut down on movements here, there isn't much in the way of time saving here. Scan must be done		Grab the hidden Red Brick at the train station, this officially requires a Construction fuse box	Early Red Brick video
Brick by Brick	Just have 100 Bricks, minor time savings on both sections.B-line for the X, go left over the fence not right, then jump past rocks not destroying the item blocking path			
Gone in 60 Minutes	No obvious time savings here aside from fight properly (position)			
Walls Have Ears	Skip all fighting			
Running Man	I really think there is a possible way to shave some time here but not certain how, possibly punching range?		Complete the arrest in the alley	
New Toy	None			
Taking Out the Trash	None		Complete the Postcard of the Tower	

	Any %	100% General	100% completable in Mission	Video of Shortcut/Glitch
Ferry to Ride	Nail the jump			
Going Undercover	B-Line to the Detective Spots, on second detective spot shoot down the crate and build before turning valve		Handle the arrest on the beach	
Circle of Trust	A very small time save here could be the jump to trigger the bird moving as you land and then jump directly to zip line, Walk the door frame with the bird		When Chasing the bird, grab the Basket Ball court postcard	
Taking It Back	Bring the 4 goons closer to each other			
Crack It Open	Ignore the scan		Grab the token behind the warden, is it possible for the Super Build to be completed here? Double check SB findings from Cherry	
Is This Thing On?	Don't fight the goons just complete			
Sneaking Out Loudly	Don't fight just run		Complete the builds and turn the lights on	
Get to the Chopper	Go to the top, complete from there down can go straight to the cut scene and door with the waypoint trigger		Gather all spots in this area- Scratching this as there are Fire Fighter required spots here there will still be the need to circle back for those	
RC Revenge	Stand near a fixture until it's destroyed (3 explosions). Maybe moving around will cause more to spawn?		N/A

Field of Screams					
Satellite Setup	Use the vines from Scrambled or Poached, ignore the rest of the "proper" way			Sequence skip that's faster than "proper" way	
Piggy Not in the Middle					
Cabin Fever					
All in a Hayes Work	Can move towards where the pig dismounts but nothing really big in time savings				
Kicked in the Kruchman	Scan for Redbrick in boss fight phase 3 Can skip to the cut scene with the chicken spot and going to trigger the end of the fight from the top			Fight Sequence Break	Early Red Brick video

	Any %	100% General	100% completable in Mission	Video of Shortcut/Glitch
Falling with Style	Press A to just dive, ignore the extra studs. Diving here will still get the Super Brick (the most important to 100% attempts)			
The Last Suit You'll Ever Wear				
The Scenic Route	Try and beat the Lervs near the start point or best possible continuation point for the next Lerv			
Shuttle Power	Throw the goons off the platform on 2nd Power Stud			
Going On Up	Throw goons off the platform			
Fill 'er Up	After the first pipe, if you destroy the Brawn there has been a bug where it mission skips to putting the 2nd pipe in place. Repro since then has failed			
Phone Home				
Clearing House	Just throw goons off the roof			
Finding Doc	Make sure goon 3 is off the platform			
You Spin Me Right Round
