

A horizontal bar chart consisting of six distinct colored segments. From left to right, the segments are: purple, red, blue, grey, and green. Each segment is composed of multiple thin horizontal lines, giving it a textured appearance. The purple segment is the narrowest, followed by the red, blue, and green segments, which are of similar width. The grey segment is the narrowest of the remaining four.

Color	Approximate Width (Percentage)
Purple	15%
Red	25%
Blue	25%
Grey	10%
Green	25%
