What % of Patton's emails are redacted?			
Are all emails in the files from Emanuel redacted?	> In 3 and 4 there are innocuous non-redacted files about the	e snowstorm from REMOC, s	o, technically no.
Are all emails in the files from Spielfogel redacted?	No, there are unredacted emails sent by Spielfogel in the files	ALS	
Should we perhaps highlight with a specific color all those emails which have redactions in them? Perhaps find some patterns?			
If they're following people on Twitter for official city business on official city time in official city emails, can we FOIA all of the Twitter usernames they use?	Maybe. FOIA is about getting documents and materials that have already been created, and the city isn't required to generate new documents that would respond to a FOIA request.		
Should we standardize REMOC/MRE/Rahm so it's easier to search?	Yes. The original text ("MRE") or recipient name ("REMOC") should remain, and "[Emanuel]" should be added (with the brackets).
