Clearing Missions Guideline

JUST FOLLOW THIS BEFORE DO ANYTHING, IGNORE MATS FARMING, NO QUESTION.

If you have no idea what are you doing or should do next, tap the lock node to see what mission you have to do to unlock that node, then complete that mission.

While farming for specific mob to complete missions, when you gather enough event mats to buy event CE, use them to buy CE. Spawn rate CE helps a lot in gathering specific mob missions.

Remember to use appropriate spawn rate CE for each quest.
