

Paying For College Spreadsheet: How To

Determine Direct Costs

Tuition and Fee Calculator Tuition and Fee Charts Housing and Dining LBCC Tuition and Fees Cascades UHDS

Use the Tultion and Fee Calculator OR Pull up the CORRECT tultion and fee charts (based on whether your credits will be in-person in Convalls, Cascades, or online). Note- DPP costs will be found under fution and fees chart at your specific community college website.

Which tultion table you choose will depend on when you matriculated at OSU, or started at OSU and paid the matriculation fee. When you review the tuition and fee charts website, under each tultion table you should see where it says "(Matriculated in 20XX-20XX)".
