			Link			Set the link to the Stream's Tweet.
		Uptime	On   Off	†		Enable/Disable the uptime command.
		Log	On   Off	†		Enable/Disable Chat Logging

Command	UL	Parameter 1	Parameter 2	Parameter 3		Details
			On		Enable specified spam protection typ	ie.
			Off		Disable specified spam protection type	De.
			Message	[New Message]	Change message displayed when us	er is timed out.
			Visibility	On   Off	Choose if message is displayed whe	n a user is timed out.
		Actions   Ascii   Blacklist   Caps	ShortLength	[New Timeout Length]	Change the length of the shorter time	eout of the specified spam protection type.
		Emotes   Links   Lones   Paragraph	LongLength	[New Timeout Length]	Change the length of the longer time	out of the specified spam protection type.
		Repeat   Symbols   Usernames	Min	Purge   Short   Long   Ban	Choose the first type of timeout the b	ot gives.
et	400		Max	Purge   Short   Long   Ban	Choose the last type of timeout the b	ot gives.
			Warning	On   Off	Toggle ban warnings on or off.	
			Allow	[Userlevel]	Pick a user level for users that will no	ot be timed out.
					Check if the specified spam protection	n is enabled/disabled.
		Ascii   Caps   Emotes   Symbols	Allowed	[Percentage/Amount (Don't type %)]	Chooses the allowed percentage/am	ount of the specified spam protection type
		Links	Email   IP	On Off	Changes if link protection includes IF	s and Email addresses.
		Paragraph	Length	[New Message Length]	Changes the length of messages tha	t will be timed out on this protection type.
		Caps	MinChars	[New Min Characters Value]	Chooses the number of characters before considering a timeout.	
		Add	[Word to Ban]		Adds a word to the blacklist.	
			Regex	[Expression to Ban]	Adds a regex pattern to the blacklist.	
acklist	400		[Word to Unban]		Removes a word from the blacklist.	
		Remove	Regex	Expression to Unban]	Remoes a regex pattern from the blacklist.	
		List			Lists all words and regular expressio	ns on the blacklist
orget	400	Actions   Ascii   Blacklist   Caps   Emotes   Links   Lones   Paragraph   Repeat   Symbols   Usernames	[User]		Makes the bot forget the user was ever timed out with this type of spam This means if they were purged, then forgotten, the cycle will restart and purged again.	

Heepsbot User Levels						
Level Description						
1	Heep					
50	Bot Admins					
100	Twitch Staff					
200	Twitch Admins					
250	Twitch Global Moderators					
300	Bot Master					
350	Channel Owner					
400	Bot Editors					
500	Moderators					
600	Regulars					
700	Subscibers/Followers					
750	Turbo					
800	Normal Users					
900	Restricted					
Note: User Levels are decided in the order of Editor, Restricted, Regula	rs (so if a user is regular and restricted, they will be seen as restricted).
