

Video Planning Questions

1. Is there an **evergreen** topic which would allow me to reuse a video for future courses?

--

2. Is there something **visual** about what I'm trying to show to my students?

--

3. Is there a **process** that takes place over time which video can easily illustrate?

--

4. Is there a **guest speaker** who might be able to join the class through a video recording?

--

5. Is the lesson conveyed more effectively if coming from a compelling **storyteller** on screen?

--

6. Do good resources **already exist**?
