About subbers/translators and subbing communities:

Every translator or subbing community has their own rules which they require members to abide by.

Please help keep our communities safe and respect our subbers by taking the time to understand and follow their rules.

Legend

-  Episode is subbed and in good quality
-  Episode is not subbed in any known community
-  Episode is only partially subbed or translated (such as only one segment from that episode)
