

LCP GBA	Playlist: https://www.youtube.com/playlist?list=PLENquOVVoRhvaZ3FU3OEA8IbwK4NLKiAi
1-1	Video is up to date
1-2	On the first platform, press down and jump to fall through the platform, rest of the video is up to date
1-3	Patrick is the fastest driver if you can avoid collisions, but spongebob is by far the most consistent
1-4	Dance until the bar is blue, then you can just afk lol
2-1	Video is up to date
2-2	Video is up to date
2-3	Use Squidward to avoid getting fucked by Manray's slippery attack
2-4	Dance until the bar is blue, then you can just afk lol
3-1	Just run to the right with sandy, as quickly as possible, the level is super easy, but it's the only level you can die in the holes at the end
3-2	Video is up to date, level is garbage, sandy lags in this level
3-3	USE SQUIDWARD, try hitting the ball from the side with squidwards hands, the ball will fly very horizontally, almost always hitting the target
3-4	Patrick is the fastest driver if you can avoid collisions, but spongebob is by far the most consistent
4-1	Video is up to date
4-2	Video is up to date
4-3	Use Spongebob, stay in the middle until you see the part you need, catch it, and if you dont see the next part get back to the middle to ensure you won't miss them.
4-4	Use Patrick, the level is literally just jumping, cartwheeling and slamming, very easy.
Final	Series of minigames: The first three are exactly the same as their previous counterparts,
	in the fourth minigame just die as quickly as possible, as this will make you win anyway for some reason, on the final game don't tap a at all, after this, time
