Deceased Dragonrider Records
You thumb through the roster of Madellon's past, deceased dragonriders.
inally you find a reference to a brown rider B'get who ed at the age of forty-five a couple of Turns after Erilde

died at the age of forty-five a couple of Turns after Erilde
You make a mental note of B'get and his brown Herroith.

ı	Fire-lizard Husbandry Study
I	You find a relatively new record entitled Fire-lizard Husbandry by a Journeyman Beastcrafter Sarenya.
I	Reading through, you learn that fire-lizards can usually be tempted by food - but that they're also very choosy
