

Music Videos featured on VIDEOFLOW in 2024

This workbook is a detailed listing of all official music videos featured as part of our nightly new music video showcase, **VIDEOFLOW**. It is updated daily but is a work in progress with revisions and additional details added all the time. If you see something that requires correcting please notify me at alex@fringemusicfix.com. Music Videos are sorted by various categories below (**Artist, Country, Director, Genre, Record Label, Release Date**). Entries can be expanded upon or collapsed by clicking on a heading. If you are familiar with basic spreadsheet functionality you will find that using this workbook should be a breeze. YouTube URLs will launch the selected music video as part of our VIDEOFLOW playlist, which can also be found here: <https://www.youtube.com/playlist?list=PL3rx9sKepfd4uujaKuDwCw7LauYlj4Z2M>

The image shows a large grid structure with two central columns. The left column is shaded yellow, and the right column is white. The grid is composed of 28 rows and 14 columns. The first four columns are shaded gray, the next four are white, the next four are shaded yellow, and the last four are white. The two central columns (columns 12 and 13) are the focus of this view, with the 12th column being yellow and the 13th being white. The grid lines are thin and black, creating a uniform grid pattern.
