Hey Science!

Interested in buying used textbooks from other students at a cheaper price? You're in the right place—at the bottom of the screen, click the sheet titled "Textbook List" to browse books in the language of your choice. If you find something you would like to purchase, please contact the student seller by their uOttawa email and make your own arrangements for payment (e-transfer, cash, etc.), as well as pick-up. Please note that SSA is only facilitating the promotion and communication between students, but will not be responsible for arrangements past that. We will do our best to update this list as frequently as possible, including with statuses on books that have already been sold.

Salut sciences !

Vous souhaitez acheter des manuels d'occasion à d'autres étudiant.e.s à un prix plus avantageux ? Nous avons la solution pour vous - en bas de l'écran, cliquez sur la feuille intitulée « Liste de manuels » pour parcourir les livres dans la langue de votre choix. Si vous trouvez quelque chose que vous aimeriez acheter, veuillez communiquer avec le ou la vend.eur.euse étudiant.e par l'entremise de son courriel uOttawa et se mettre d'accord sur le mode de paiement (transfert électronique, argent comptant, etc.), ainsi que pour la récupération du manuel. Veuillez noter que l'AÉS ne fait que faciliter la promotion et la communication entre les étudiant.e.s, mais qu'elle n'est pas responsable des arrangements ultérieurs. Nous ferons de notre mieux pour mettre à jour cette liste aussi souvent que possible, y compris en ce qui concerne les livres qui ont déjà été vendus.
