[1] You can either link the deviation by its name or put the link directly here. If you put in a link directly, be sure to remove the "?ga_submit_new=#" at the end.

[2] Select your type of art! Crafts are initially counted as Sketch/Linework. Animations are initially counted as a still frame.

[3] Any Staves Rest creature that's at least a bust+ counts as a character. There is no cap to the number of characters you can count for beans, but we've included a dropdown for 1-9 for convenience.

[4] You get 1 bean per 250 words. Put your word count here if you want to count beans for it!

[5] Bonus beans are given for Animation, Crafts, and more!

[6] Automatically calculates your bean count! You shouldn't be editing this, as any additional beans should go in the "Bonus Beans" section.

[7] Completely optional reminders to yourself about the particular piece. Did you add an upgrade? Unlock an upgrade? Was it for an event? Whatever you want to mention!
