Wildpaw	Friend / Crush	We've been talking less and less... I wonder where she goes when when's not here. I miss her a lot. I hope everything is okay...	
Mosquitopaw	Best Friend	I don't even know where to start with this guy. When we first met he came off as noseey, but beyond that he's pleasant to be around. I trust him, he seems pretty chill. I like when he talks, he's fun.	

NAME	RELATIONSHIP	THOUGHTS	ACTIVE:
Vinepaw	Friend/Crush	She's breathtaking. She's taught me some stuff about climbing. She's so sweet and tiny and cute. I wish she'd stayed with me that night though. I miss her when we're not talking... I just wish she lived closer.
