	How wer	e the nacks de	nerated for t	the draft event	?				
						we are looking	into improveme	nte for the poyt	one
	A snapshot was taken from the queues before the event. But we are looking into improvements for the next on								UHE.
		How much weight is feedback and community opinion (ie Severin + Reap)?							
		They are valuable. We want things to be balanced, especially with analytics taken into account. Such as how long those games took. But we sometimes tweak not the offending card but the other cards in that combo (to not taken away the fun card from the enjoying player).
