G.R.A.D.

CREATE LIST OF AT LEAST 10 POTENTIAL UNIVERSITIES THEN RATE & RANK THE LIST BASED ON THE R.A.D CRITERIA

NAME OF UNIVERSITY	RATE RELEVANCE & DECISION TO APPLY ON A OF SCALE 1 - 10		(10 = AWESOME; 1 NOT AWESOME)
GATHER	RELEVANCE	ADVOCATE? (Y/N)	DECISION
Ex. SoCal University	*9*	*Y*	*8*

Once you have filled out the table, use the "Custom Sort" Tool to rank the Universities:

Highlight table including the GRAD column headings and custom sort in the following order:

1st - Decision --> Large to Small

2nd - Relevance --> Large to Small

3rd - Advocate --> Z to A
