### 0-inch front shock absorber ordinary

Product 120cm \* 26cm \* (telescopic rod 80-120)CM, pedal width 21CM  
 Motor 800W brushless motor  
 Display LCD colorful display with USB, Three-speed variable speed  
 Charging 4-6Hours  
 Maximum 40KM/H  
 Front light Integrated headlight (built-in speaker) rear stop lamp, double side running lights, rear lights  
 Horn inside the Front light  
 Frame Aluminum  
 MAX. Lo 200KG  
 N.W 21KG, Gross weight - 24 kg  
 Mileage 30-60km optional  
 Tire 10-inch Pneumatic tire  
 Brake Front & Rear with Disc-brake  
 Packing 121x31x36CM  
 EXW Pric 4811\$4=750  
 Color Black-White  
 Specific With removable seat, the whole car is waterproof cable, 10-inch pneumatic  
 Customiz More battery capacity and motor power can be customized, single and double drive motor can be customized, Front and rear vacuum tire can be customized, product color can be customized free of charge, various laser, silk screen printing LOGO, carton LOGO, free customization

### ch front and rear double shock absorp

Product 121cm \* 26cm \* (telescopic rod 80-120)CM, pedal width 25CM  
 Motor 800W brushless motor  
 Display LCD colorful display with USB, Three-speed variable speed  
 Charging 4-6Hours  
 Maximum 40KM/H  
 Front light Integrated headlight (built-in speaker) rear stop lamp, double side  
 Horn inside the Front light  
 Frame Aluminum  
 MAX. Lo 200KG  
 N.W 22KG, Gross weight - 25 kg  
 Mileage 30-60km optional  
 Tire 10-inch Pneumatic tire  
 Brake Front & Rear with Disc-brake  
 Packing 121x31x36CM  
 EXW Pric 4811\$4=900  
 Color Black-White  
 Specific With removable seat, the whole car is waterproof cable, 10-inch pneumatic  
 Customiz More battery capacity and motor power can be customized, single and double drive motor can be customized, Front and rear vacuum tire can be customized, product color can be customized free of charge, various laser, silk screen printing LOGO, carton LOGO, free customization

### 1 front and rear double shock absorpt

Product 121cm \* 26cm \* (telescopic rod 80-120)CM, pedal width 25CM  
 Motor 800W brushless motor  
 Display LCD colorful display with USB, Three-speed variable speed  
 Charging 4-6Hours  
 Maximum 40KM/H  
 Front light Red aperture double flash spotlight, integrated headlight (built-in  
 Horn inside the Front light  
 Frame Up-open frame, Aluminum  
 MAX. Lo 200KG  
 N.W 23KG, Gross weight - 26 kg  
 Mileage 30-60km optional  
 Tire 10-inch Pneumatic tire Off-road tire  
 Brake Front & Rear with Disc-brake  
 Packing 121x31x36CM  
 EXW Pric 4811\$4=950  
 Color Black-White  
 Specific Foot folding, up-open frame, three-light configuration, with detachable seat,  
 Customiz More battery capacity and motor power can be customized, single and double drive motor can be customized, Front and rear vacuum tire can be customized, product color can be customized free of charge, various laser, silk screen printing LOGO, carton LOGO, free customization

### 1-inch double-light off-road wide tire

Product 130cm \* 29cm \* (telescopic rod 90-130)CM, pedal width 25CM, Length 60CM  
 Motor 1200W brushless acceleration motor  
 Display LCD colorful display with USB, Three-speed variable speed  
 Charging 4-6Hours  
 Maximum 60KM/H  
 Front light Red aperture double flash spotlight, three modes, (built-in speaker) rear  
 Horn inside the Front light  
 Frame Up-open frame, Aluminum  
 MAX. Lo 200KG  
 N.W 24KG, Gross weight - 26 kg  
 Mileage 30-90km optional  
 Tire Front and rear 11-inch pneumatic tire off-road wide tire  
 Brake Front & Rear with Disc-brake  
 Packing 129x28x48CM  
 EXW Pric 4820\$4=1000  
 Color Black-White  
 Specific Foot folding, up-open frame, dual light configuration, with detachable seat,  
 Customiz More battery capacity and motor power can be customized, single and double drive motor can be customized, Front and rear vacuum tire can be customized, product color can be customized free of charge, various laser, silk screen printing LOGO, carton LOGO, free customization

### M365

Product 108\*43 \* 114cm, folded size: 108\*43 \* 49cm  
 Motor 350W brushless motor precursor  
 Display Display speed power mileage three-speed variable speed, constant speed cruise  
 Charging 4-6Hours  
 Maximum 30KM/H  
 Front light Integrated headlight, rear stop lamp, rear lighting  
 Horn Bell  
 Frame Aluminum-ABS+PC+Al alloy  
 MAX. Lo 200KG  
 N.W 12KG, Gross weight - 15 kg  
 Mileage 15-30km optional  
 Tire Front and rear 8.5-inch pneumatic tire  
 Brake Rear disc brake power-off protection (electronic brake)  
 Packing 110x15x52CM  
 EXW Pric 5010\$4=900  
 Color Black-White  
 Specific Display speed power gear, the whole car waterproof cable, 8.5 pneumatic  
 Customiz More battery capacity and motor power can be customized, and mobile phone APP can be added; Honeycomb tire and off-road tire can be customized, product color can be customized free of charge, various laser, silk screen printing LOGO, carton LOGO, free customization

### 10-inch MAX with mobile phone APP

Product 108\*43 \* 114cm, folded size: 108\*43 \* 49cm  
 Motor 500W rear drive brushless motor  
 Display Display speed power mileage three-speed variable speed, constant speed cruise  
 Charging 4-6Hours  
 Maximum 35KM/H  
 Front light Integrated headlight, rear stop lamp, rear lighting  
 Horn Bell  
 Frame Aluminum-ABS+PC+Al alloy  
 MAX. Lo 200KG  
 N.W 13KG, Gross weight - 16 kg  
 Mileage 20-60km optional  
 Tire Front and rear 10-inch pneumatic tire  
 Brake Front drum brake, electronic brake  
 Packing 118.5x22x60CM  
 EXW Pric 5015\$4=780  
 Color Black-White, motor coil yellow, red optional  
 Specific Display speed power gear, the whole car waterproof cable, 10  
 Customiz More battery capacity and motor power can be customized, which can increase front shock absorption; Honeycomb tire and off-road tire can be customized, product color can be customized free of charge, various laser, silk screen printing LOGO, carton LOGO, free customization

### h double drive three-light off-road t

Product 125cm \* 61cm \* (telescopic rod 90-130)CM, pedal width 22CM  
 Motor 1200W brushless acceleration dual motor  
 Display LCD color screen mobile phone charging instrument, three gear speed change, power-off switch  
 Charging 4-6Hours  
 Maximum 60KM/H  
 Front light Red apertures double flash spotlight, three modes, (built-in speaker) rear  
 Horn inside the Front light  
 Frame Up-open frame, Aluminum  
 MAX. Lo 200KG  
 N.W 36KG, Gross weight - 40kg  
 Mileage 30-90km optional  
 Tire Front and rear 10-inch pneumatic tire off-road tires, high speed  
 Brake Front & Rear with Disc-brake  
 Packing 125x30x50CM  
 EXW Pric 4811\$4=1050  
 Color Black-White  
 Specific 10-inch off-road wide tire, aluminum alloy wheel hub, front and back disc  
 Customiz More battery capacity and motor power can be customized, single drive motor can be customized, Front and rear vacuum tire can be customized, product color can be customized free of charge, various laser, silk screen printing LOGO, carton LOGO, free customization

### ouble drive three-light off-road wid

Product 122cm \* 29cm \* (telescopic rod 90-130)CM, pedal width 22CM  
 Motor 1200W brushless acceleration dual motor  
 Display LCD color screen mobile phone charging instrument, three gear speed change, power-off switch  
 Charging 4-6Hours  
 Maximum 60KM/H  
 Front light Double flash spotlights, three modes, (built-in speaker) rear stop lamp,

Horn Inside the Front light  
 Frame Up-open frame,Aluminum  
 MAX. Lo:200KG  
 N.W 25KG, Gross weight - 27kg  
 Mileage 30-90km optional  
 Tire Front and rear 11-inch pneumatic tire off-road tires, high speed  
 Brake Front & Rear with Disc-brake  
 Packing 122x29x54CM  
 EXW Pric **48V18A=1650**  
 Color Black-White  
 Specific 11-inch off-road wide tire, aluminum alloy wheel hub, front and back disc  
 Customiz More battery capacity and motor power can be customized; single drive motor can be customized; Front and rear vacuum tire can be customized; product color can be customized free of charge, various laser, silk screen printing LOGO, carton LOGO, free customization

### nch single-pole double-drive wide tir

Product 122cm \* 27cm \* (telescopic rod 90-130)CM, pedal width 23CM  
 Motor 1200W brushless acceleration dual motor  
 Display LCD color screen mobile phone charging instrument, three gear speed change, power-off switch  
 Charging 4-6Hours  
 Maximum 60KM/H  
 Front light Headlight (built-in speaker) rear stop lamp, rear lighting  
 Horn Inside the Front light  
 Frame Up-open frame,Aluminum  
 MAX. Lo:200KG  
 N.W 25KG, Gross weight - 28kg  
 Mileage 30-90km optional  
 Tire Front and rear 11-inch pneumatic tire off-road tires, high speed  
 Brake Front & Rear with Disc-brake  
 Packing 120x27x49CM  
 EXW Pric **48V23A=1100**  
 Color Black-White  
 Specific 11-inch off-road wide tire, aluminum alloy wheel hub, front and back disc  
 Customiz More battery capacity and motor power can be customized; Front and rear vacuum tire can be customized; product color can be customized free of charge, various laser, silk screen printing LOGO, carton LOGO, free customization

### nch single-pole double-drive wide tir

Product 122cm \* 56cm \* (telescopic rod 90-130)CM, pedal width 28CM, length 53CM  
 Motor 1200W brushless acceleration dual motor  
 Display Large instrument in LCD color screen, power-off switch  
 Charging 4-6Hours  
 Maximum 70KM/H  
 Front light Double spotlight (built-in speaker) rear stop lamp, rear lighting  
 Horn Inside the Front light  
 Frame Up-open frame,Aluminum  
 MAX. Lo:200KG  
 N.W 42KG, Gross weight - 45kg  
 Mileage 30-90km optional  
 Tire Front and rear 11-inch pneumatic tire off-road wide tire, high speed  
 Brake Front & Rear with Disc-brake  
 Packing 135x33x56CM  
 EXW Pric **48V23A=1400**  
 Color Black-White  
 Specific 11-inch off-road wide tire, aluminum alloy wheel hub, front and back disc  
 Customiz More battery capacity and motor power can be customized; single drive motor can be customized; Front and rear vacuum tire can be customized; product color can be customized free of charge, various laser, silk screen printing LOGO, carton LOGO, free customization

### single rocker arm double drive wide

Product 116cm\*26cm\*111CM  
 Motor 1200W brushless acceleration dual motor  
 Display LCD color screen instrument, mobile phone rechargeable  
 Charging 4-6Hours  
 Maximum 60KM/H  
 Front light Headlight (built-in speaker) rear lamp  
 Horn Inside the Front light  
 Frame Up-open frame,Aluminum  
 MAX. Lo:200KG  
 N.W 22KG, Gross weight - 25kg  
 Mileage 30-70km optional  
 Tire Front and rear 11-inch pneumatic tire off-road wide tire, high speed  
 Brake Front & Rear with Disc-brake  
 Packing 127x26x55.5CM  
 EXW Pric **60V21A=1400**  
 Color Black-White  
 Specific 11-inch off-road wide tire, aluminum alloy wheel hub, front and back disc  
 Customiz More battery capacity and motor power can be customized; single drive motor can be customized; Front and rear vacuum tire can be customized; product color can be customized free of charge, various laser, silk screen printing LOGO, carton LOGO, free customization

### double rocker arm double drive wide

Product 121cm\*19cm\*116CM  
 Motor 1200W brushless acceleration dual motor  
 Display LCD color screen instrument, mobile phone rechargeable  
 Charging 4-6Hours  
 Maximum 60KM/H  
 Front light Headlight (built-in speaker) rear lamp  
 Horn Inside the Front light  
 Frame Up-open frame,Aluminum  
 MAX. Lo:200KG  
 N.W 22KG, Gross weight - 25kg  
 Mileage 30-70km optional  
 Tire Front and rear 11-inch pneumatic tire off-road wide tire, high speed  
 Brake Front & Rear with Disc-brake  
 Packing 129x26.5x50CM  
 EXW Pric **48V12A=1000**  
 Color Red  
 Specific 10-inch off-road wide tire, aluminum alloy wheel hub, front and back disc  
 Customiz More battery capacity and motor power can be customized; single drive motor can be customized; Front and rear vacuum tire can be customized; product color can be customized free of charge, various laser, silk screen printing LOGO, carton LOGO, free customization

### single rocker arm double drive wide

Product 120cm\*26cm\*118CM  
 Motor 1200W brushless acceleration dual motor  
 Display LCD color screen instrument, mobile phone rechargeable  
 Charging 4-6Hours  
 Maximum 60KM/H  
 Front light Headlight (built-in speaker) rear lamp  
 Horn Inside the Front light  
 Frame Up-open frame,Aluminum  
 MAX. Lo:200KG  
 N.W 22KG, Gross weight - 25kg  
 Mileage 30-70km optional  
 Tire Front and rear 10-inch pneumatic tire off-road wide tire, high speed  
 Brake Front & Rear with Disc-brake  
 Packing 122x26x59CM  
 EXW Pric **48V20A=1250**  
 Color Black  
 Specific 11-inch off-road wide tire, aluminum alloy wheel hub, front and back disc  
 Customiz More battery capacity and motor power can be customized; single drive motor can be customized; Front and rear vacuum tire can be customized; product color can be customized free of charge, various laser, silk screen printing LOGO, carton LOGO, free customization

### single rocker arm single drive wide

Product 120cm\*62cm\*121CM  
 Motor 1200W brushless acceleration single motor  
 Display LCD color screen instrument, mobile phone rechargeable  
 Charging 4-6Hours  
 Maximum 50KM/H  
 Front light Headlight (built-in speaker) rear lamp  
 Horn Inside the Front light  
 Frame Up-open frame,Aluminum  
 MAX. Lo:200KG  
 N.W 23KG, Gross weight - 27kg  
 Mileage 30-70km optional  
 Tire Front and rear 10-inch pneumatic tire off-road wide tire, high speed  
 Brake Front & Rear with Disc-brake  
 Packing 124.5x27x59.5CM  
 EXW Pric **48V16A=1050**  
 Color Black  
 Specific 10-inch off-road wide tire, aluminum alloy wheel hub, front and back disc  
 Customiz More battery capacity and motor power can be customized; single drive motor can be customized; Front and rear vacuum tire can be customized; product color can be customized free of charge, various laser, silk screen printing LOGO, carton LOGO, free customization
