

# The Stormblood Fishing Spreadsheet

By: Lucius Verus (Faerie) & Tyo'to Tayuun (Ultros)

Have new info on a fish? Have a question or feedback? Join us on Discord:

<https://discord.gg/AnFaDpN>

## How to use:

1. Find your fish in the Rod Fishing/Spear Fishing tab with Ctrl + F
2. Use the link to navigate to the specific zone tab for more info on your fish
3. Use the Collectibles/Leves/Quests tab for easily viewable info on those fish

										615 perception : +59%		
										591 perception : +54%		
										578 perception : 51%		
										559 perception : 48%		
										483 perception : +32%		
										477 perception : +31%		
										473 perception : +30%		

Based on the few checkpoints I could figure, it seems every 4-5 points of perception means a +1% HQ bonus.

That would mean around 808-813 perception to get a 100% HQ bonus, guaranteeing 8/8 purity, in the case you get a False Scad to bite
