Techstars -- Investors in Europe Database

Last Updated: 8/13/2019

About: As the worldwide network that helps entrepreneurs succeed, Techstars strives to build and maintain resources to help the founder journey. This document is an actively managed list of the 550+ investors we are aware of in Europe. If you are a new firm or a firm that is not currently listed (and would like to be here), please email investorlist@techstars.com or kevin.liu@techstars.com and we will update the record accordingly 597 Current Count:

Definition for inclusion:

We have included in this list and associated map the following investors:

"Investors who routinely lead Seed, Series A or Series B rounds in European startups"

It includes investors located in Europe, as well as non-European investors who frequently invest here.

The list is work in progress and we are looking to add investors over time and keep it up to date

We have excluded individuals, pre-seed investors, crowd funding sites, and public sector programs from this list.
