

Class name	Extension property name	Property definition	Property value	Codelist / Scheme	1.0RC property name	Renaming notes
Release	Release.project	<TBD>	string			
Release	Release.governmentEntity	<TBD>	<same as 1.0RC>		Release.buyer	This renaming is necessary
Release	Release.country	the country in which the government is located	string	ISO 3166-1 alpha-2 country code		
Release	Release.initiationTypeRationale	an explanation for the choice of initiation type, including an explanation for any non-trivial deviations from applicable legal or regulatory frameworks	string			
Planning	Planning.estimatedProduction	<TBD>	object			
<initiation-type>	<initiation-type>.numberOfCandidates	the number of entities who are candidates for awards	<same as 1.0RC>		Tender.numberOfTenderers	This renaming is optional
<initiation-type>	<initiation-type>.candidates	all entities who are candidates for awards	<same as 1.0RC>		Tender.tenderers	This renaming is optional
<initiation-type>	<initiation-type>.applications	submissions in consideration for an award	Application (array)			
Application	Application.title	the application's title	string			
Application	Application.date	the date on which the application was received	date			
Application	Application.status	the application's status	string	Same as Contract.status enum		
Application	Application.applicants	the entity submitting the application or on whose behalf the application is submitted	Organization (array)			
Application	Application.transactions	transactions made against the application	Transaction (array)			
Award	Award.awardees	the entities receiving the award	<same as 1.0RC>		Award.suppliers	This renaming is necessary
Award	Award.rationale	a justification of the award to the awardee(s)	string			
Item	Item.locations	geographic areas to which the item is related	Location (array)			
Location	Location.name	the location's name	string			
Location	Location.geo	the location's geo coordinates	<TBD>			
Location	Location.identifier	the location's primary identifier	Identifier	<TBD>		
Location	Location.size	the location's surface area in km2	number			
Location	Location.classification	the location's primary classification	Classification	See "Location classification" sheet		
Organization	Organization.classification	the organization's primary classification	Classification	See "Organization classification scheme" sheet		
Transaction	Transaction.receiverAccount	the account in which the amount is deposited, for example, a stabilisation fund, if applicable	string			
Transaction	Transaction.classification	the transaction's primary type (e.g. royalty)	Classification	See "Transaction type sheet"		
Transaction	Transaction.amountUSD	the value of the transaction in US dollars	number			
Transaction	Transaction.period	the financial period for which the transaction is made	Period			
Transaction	Transaction.rate	the applicable rate used to calculate the transaction's amount, for example, the royalty rate	number			
Transaction	Transaction.inKind	whether the transaction was made in-kind	boolean			
Transaction	Transaction.volume	the volume or quantity of goods transacted, if the transaction is made in-kind or if its amount is based on a quantity or volume (e.g. barrels of oil)	number			
Transaction	Transaction.unit	the unit in which the goods are transacted, if the transaction is made in-kind or if its amount is based on a unit value (e.g. spot price)	Unit (define Unit based on Item.unit)			

Category	Code	Title	Description	Source
basic	notice	Notice	The formal notice that gives details of a tender, award, contract or other event within a contracting process. This may be a link to a downloadable document, to a web page, or to an official gazette in which the notice is contained.	
advanced	needsAssessment	Needs Assessment Document		
advanced	feasibilityStudy	Feasibility Study		
advanced	projectPlan	Project plan		
intermediate	hearingNotice	Public Hearing Notice	Details of any public hearings that took place as part of the planning for this procurement.	
basic	procurementPlan	Procurement Plan		
intermediate	marketStudies	Market Studies		
basic	biddingDocuments	Bidding Documents	Information for potential suppliers, describing the goals of the contract (e.g. goods and services to be procured), and the bidding process.	
intermediate	eligibilityCriteria	Eligibility Criteria	Distilled documents about the eligibility of bidders.	
basic	technicalSpecifications	Technical Specifications	Detailed technical information about goods or services to be provided.	
basic	evaluationCriteria	Evaluation Criteria	Information about how bids will be evaluated.	
intermediate	clarifications	Clarifications	Including replies to issues raised in pre-bid conferences.	
intermediate	shortlistedFirms	Shortlisted Firms		
advanced	listOfQuantity	List Of Quantity		
advanced	bidders	Information on bidders or participants	Information on bidders or participants, their validation documents and any procedural exemption for which they qualify	
advanced	conflictOfInterest	Conflicts of Interest		
advanced	debarments	Debarments		
intermediate	evaluationReports	Evaluation report	Report on the evaluation of the bids and the application of the evaluation criteria, including the justification for the award	
advanced	winningBid	Winning Bid		
advanced	complaints	Complaints and decisions		
intermediate	contractSigned	Signed Contract		
intermediate	contractChangeOrders	Arrangements for ending contract		
intermediate	contractSchedule	Schedules and milestones		
advanced	contractReview	Access to the Contract		
advanced	contractGuarantees	Guarantees		
advanced	subContract	Subcontracts	A document detailing subcontracts, the subcontract itself, or a linked OCDS document describing a subcontract	
intermediate	physicalProcessReport	Physical progress reports	A report on the status of implementation, usually against key milestones.	
intermediate	financialProgressReport	Financial progress report	Dates and amounts of stage payments made (against total amount) and the source of those payments. Structured versions of this data can be provided through transactions.	
basic	completionCertificate	Completion certificate		
intermediate	finalAudit	Final Audit		
advanced	landImpact	Land and Settlement Impact		
advanced	environmentalImpact	Environmental Impact		
advanced	assetLiabilityAssessment	Assessment of assets and liabilities of government related to the contract		
advanced	risProvisions	Provisions for management of risks and liabilities		
intermediate	financialInformation	Financial information including cost structure, if any
